SUNDAY SCHOOL REPORT

Once again your Sunday School Superintendent is forced to report that our association has completed another year of existence without a full slate of officers. Surely there are fourteen (14) dedicated workers in our thirty-three (33) churches who are interested enough in the basic organization of our churches to volunteer to carry on an active Associational Sunday School Program.

In 1965-66 the Sunday Schools of all our churches showed a decrease of 127 in enrollment with an average attendance of 6514.

The Sunday School held a Visitation Clinic this year; promoted January Bible Study in the churches; attended the State V.B.S Clinic at Wingate College, held an Associational V.B.S. Clinic, which was well attended; attended the State Life and Work Curriculum Clinic, held an Associational Clinic for all churches; attended Sunday School Week at Ridgecrest, conducted Action Night in the Association and assisted several churches during Sunday School Preparation Week.

Respectfully submitted,
John E. Wade, Supt.

REPORT ON NORTH CAROLINA HOMES FOR THE AGING

Reflection on the past year of life in our four Homes for the Aging is a reminder once again of the goodness of the Lord to us. We are constantly aware of the bountiful way in which He has blessed us, and this has been particularly true since our last report to the Association.

During the last year the homes have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists, through the Special Day offering, received on the third Sunday of February each year, and through the Home's share of the Cooperative Program. The large majority, at least 85%, have benefited directly from these gifts and have actually been sustained at the point of their financial need.

The Special Day offering for 1966 is at an all time high and looks as if it might be $100,000.00 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that, even though there has been a 5% increase in the offering from last year, costs have advanced by 7%.

We are in the midst of miracles, and the past year has been one in which we

have witnessed unusual blessings from the Lord. There have been fewer deaths than previously, and the critically ill, in many instances, have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and your gifts go in ministering to the needs of the residents, particularly at the point of tender loving care in illness.

Perhaps the outstanding parodox in all of our Homes is that the first resident to receive a Medicare card, during the first year of the operation of Medicare, is our oldest resident, who never takes any medication at all and who does not need to see a doctor or go to the hospital. She is Aunt Fannie Drumwright, who celebrated her 105th birthday in July.

It is anticipated that construction will begin on our fifth Home at Yanceyville during the coming year, and when it is completed, we will be able to minister in all of our Homes to 200 older men and women and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers, and the increased financial support of North Carolina Baptist. We are, therefore, going to count heavily on you and believe that you will not disappoint the aging people who are looking to you urgently for help.

During the year just ending 21 churches of the Central Association gave a total of $1,792.14 to the Baptist Homes for the Aging. During this year may each of us resolve to do more, and above all remember the Homes in our prayers.

Respectfully submitted,
J.D. Allgood, Jr.

REPORT ON JUVENILE REHABILITATION

On October 22, 1965 the Associational Committee met with Mr. Aubrey Strother, Senior Probation Officer of the Domestic Relations Court. At this meeting plans were formulated in regards to church Juvenile Committees and Sponsors. It was also decided that sponsors would need training in the basics of Juvenile Rehabilitation ministry. At this meeting, Mr. Strother was invited to speak to the Pastor's Conference.

On October 25, 1965, Mr. Strother spoke to the Pastor's Conference regarding the Associations participation in the Juvenile Rehabilitation Program and expressed his approval of this decision.

On November 23, 1965, the Associational Committee and Rev. Floyd Rhyne attended a state Juvenile Rehabilitation Conference in Raleigh.

On December 7, 1965, the first Central Associational Juvenile Rehabilitation Conference was held in the Green Street Chapel. A panel discussion was led by Mr. Aubrey Strother and his co-workers, Mr. David Jackson and Mrs. JoAnn Newman; also Mr. Lester Hamilton, Director of the Family Service Bureau. The film on Juvenile work entitled BUCK AND I was shown. Total present for this meeting was 43.

On December 10, 1965, a list of 21 sponsors was turned over to Mr. Strother.

On January 20, 1966, a list of 24 sponsors was turned over to Mr. Strother.

During the early months of 1966 the Associational Committee met and formulated plans for a Juvenile Associational Meeting which was held on May 16, 1966 at Green Street Chapel. At this meeting the sponsors were divided for group discussion after another showing of the film BUCK AND I. During the committee meeting tentative plans were made for a camping trip to Camp Caraway for 50 boys.

On August 23, 1966 the Associational Committee met to make final plans for the Caraway camping trip. On August 26, twenty-four boys, under the leadership

of Rev. Bency Smith, left for Camp Caraway. Two boys returned the same night, leaving 22 boys to participate in the full two days camping program. We are indeed grateful to Rev. Bency Smith for arranging a splendid and interesting program and providing such capable leadership for the boys. We also greatly appreciate the leadership given by Rev. J.D. Allgood, Rev. Floyd Rhyne and Mr. Glenn Hartman which meant so much in making the camping trip a success.

Twelve churches have participated in this juvenile ministry and have provided a total of 67 sponsors.

Respectfully submitted,
W.E. Garrison, Chairman

REPORT ON MUSIC

The Associational Music Program moved forward slowly during the year. A census of musical needs in the Association was begun to determine what programs will be most beneficial in the Association. This census has not been completed.

Music leadership was provided for the annual Association meeting, Mrs. C.J. Rountree, Mr. Carroll Stegall, Mr. Pat Taylor, Mr. Charles Pulley, Mr. Jim Martin, Mrs. Neal Armstrong, Mr. Rick Coffey, Mr. Roger Cole, Mrs. J.W. Sears, Miss Marie Burnette and your Association Music Director participated in the music portions of the meetings.

"M" Night music was led by Mr. Carroll Stegall with an Association-wide choir bringing the anthem, "Praise We Sing To Thee," by Haydn-Lervass.

Music leadership was provided by your Associational Music Director for the W.M.U. annual meeting. Special music was provided by a fine male quartet.

Plans are being formulated to meet the musical needs of the churches in the Association in a better manner during the coming year.

Respectfully submitted,
C.L. Christian, Jr.

REPORT OF COMMITTEE ON ORDINATION

Six of the churches called upon the committee to examine candidates for the gospel ministry. After careful examination, and to the satisfaction of each one present, the committee unanimously approved the ordination of the following men: On December 13, 1965 Nick Demchak of the First Baptist Church; On November 14, 1965 Joe Leach of the Woodlawn Baptist Church; On January 10, 1966 George T. Patterson of Pilot View Baptist Church; On April 18, 1966 Tim Madaris of the Allen Jay Baptist Church; On April 18, 1966 Billy Buchanan of the Hilliard Memorial Baptist Church; On August 22, 1966 Billy Long of the Conrad Memorial Baptist Church. At the invitation of the Brentwood Baptist Church the committee was asked to be a part of the church's committee to examine Brother Billy Lanier for the gospel ministry, on September 25, 1966.

Respectfully submitted,
Russell L. Hinton, Chairman

REPORT ON BAPTIST FOUNDATION

Sometimes in writing an annual report we are tempted to make a very large mistake to discover that people really read the report. The only mistake in this report may be one of overenthusiasm for the fine way the Baptists of North Carolina are beginning to understand and use the Foundation. I wish it were possible for me

to share with you all of the responses we have been privileged to participate in during the past year. This has been a good year in Baptist Foundation work and we are eternally grateful to each one of you for having a part in promoting the work of the Foundation.

We are indeed grateful to the pastors of this state for the wonderful cooperation they have accorded the Baptist Foundation. They have encouraged us greatly by furnishing the names of individuals who may be interested in the Foundation; they have invited us to their churches to speak on various occasions; they have been most generous with their time in discussing with us the problems, programs, and purposes of the Foundation whenever we had the opportunity to discuss it with them. Many of our lay friends, lawyers, bankers, trust officers, and other interested individuals have given of their time and have helped us materially in promoting our work.

Assets of the Foundation have increased during the past year and at the last accounting, around December, the total assets of the Foundation had reached approximately one million dollars including our real estate. Right many of our people are setting up memorial funds, trust agreements, annuity agreements, and are using other services provided by the Baptist Foundation. We believe we are organized in such a manner that we can answer most any request an individual makes of us, either through the church or as an individual, if he will make his wishes known to us. By this I mean that we can visit him individually and explain the work of the Foundation and how he may participate in it, or we can go to any group meeting that would provide an opportunity to discuss will making and uses of the Foundation. We covet your continued prayers for this work and hope that in the future you will make use of the facilities of the North Carolina Baptist Foundation, Inc.

Respectfully submitted,
Gordon Madrey

REPORT ON TRAINING UNION

It is not an easy thing to accurately evaluate the work done through the Training Union Department in our Association for the past year.

However, we feel that anytime Christians are willing to learn and then work to train others in the Christian life and leadership, that only God can keep an accurate record of the good done. Several people from our Association were represented at our summer Assemblies to learn about the new material many of our churches will be using in the Life and Work Curriculum.

We would like to share with you some of the visible things that have been done this past Associational year.

The Officers have had four Executive Committee meetings to plan and outline the work. On December 6, "M" Night was held in the First Baptist Church with 600 in attendance. This included 24 Pastors and 24 Training Union Directors with 29 churches represented.

April 1, Youth Night was held at Green Street Church with 12 churches represented and 100 in attendance. This meeting began with a well planned banquet with plenty of good things to eat and fun for all. This was followed by the Intermediate Sword Drill and Young People's Better Speakers Tournaments. Among those participating in the Sword Drill Miss Elizabeth Ann Eagle of the First Church was named first place winner for the girls and Mr. Freddie Riddle of Oakview for the boys. In the Better Speakers Tournament Miss Phyllis Humbree of West End Mission was first place winner for the 17-18 year age group and Mr. Walter Batista of First Church for the 19-24 year age group.

On April 3, tournaments for Juniors and Adults were held at Fairmont Park Church. In the Adult Scripture Reading Tournament Mrs. Shirley Mowery of English Street Church was declared first place winner and Mr. Dwight Jester of Green Street Church second place winner.

There were 41 Juniors participating in the Junior Memory Work Tournament and most of these became Regional and State Winners. Three were four year winners, Laddie Fincher, Linda Kelley and Wesley Warren.

August 15-18 the Association and the First Baptist Church jointly sponsored a Training Union Improvement Week. Classes were led by three of our State Training Union Workers, Miss Katie Ruth Grayson, Mrs. Smoot Baker and Mrs. J.R. Everette, together with Mrs. Jack Noffsinger of Knollwood Baptist Church, Winston Salem

and able leadership from our own Association. There were over 200 enrolled and a most beneficial week of study. If your Associational Officers can assist you in your church training program, please feel free to call on us. We solicit your prayers and continued cooperation in this field of our Lord's work.

Respectfully submitted,
John A. Reavis, Director

BROTHERHOOD REPORT

The highlights in Brotherhood work this year, was the Baptist Men's Rally and the Royal Ambassador Rally.

The Baptist Men's Rally was held on May 10, at the Albertson Road Baptist Church, with more than 350 men present. Dr. E.L. Spivey, Secretary of the Division of Missions of the North Carolina Baptist State Convention, brought a very inspiring message. His topic was, "Making Missions Relevant in North Carolina."

Reports were given from each phase of the Brotherhood program, with Missions and Stewardship, and Royal Ambassadors being high-lighted. After the reports and the very inspiring message from Dr. Spivey, there was a period of fellowship, and refreshments were served.

The Royal Ambassador Rally was held August 6, at the City Lake with 143 present. After two or three hours of swimming and playing ball, the boys were rounded up for a short devotion. A bountiful feast of "hot-dogs with all the trinmings" was served.

The program for the rally consisted of showing the films, "Buck and I" and "The Measure of A Man."

One of the main aims of the Associational Brotherhood Officers this past year was to have a good workshop in October. We are unable to enlist the necessary leaders and the workshop was reset for November 10-11, 1966.

Harold Boruff, President

BAPTIST HOSPITAL REPORT

Our Baptist Hospital and Medical School is a center of healing for body, mind and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our

Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information to your people and help to lead them to give serious consideration to the Hospital's vital ministry and its urgent need.

The Churches of Central Association gave a total of $5,806.35 during 1966.

Respectfully submitted,
W.K. McGee

REPORT OF RADIO AND TELEVISION COMMISSION

Southern Baptists' Radio and Television Commission is in a position to press the case for its programming with the broadcasting industry as never before. Factors which make this so include: the new International Communications Center with all of its facilities, appointment of new staff members to key positions in the agency, and the beginning of a corps of field representatives.

The 23 programs produced by the Commission were broadcast on an all-time high number of radio and television stations; at the end of 1965 -- more than 2300. Actually, the Commission appeared on 78.4 per cent of the entire broadcast facilities of the nation between April 1, 1965, and March 31, 1966, broadcasting a total of 52,000 hours. If one station ran this amount of programming, it would take 2167 days or almost six years of continuous broadcasting.

In 1965 the value of the public service time given the Commission by the nation's radio and television stations totaled $3.8 million. Southern Baptist impact on 20th Century man is directly proportional to the effectiveness of the channels of communication employed.

While the trend among broadcasters in general seems to be away from religious programming, the Southern Baptist message is being heard on more stations by more people in more ways than ever before.

Southern Baptist programs received 7 1/2-hours in time on the three television networks -- the equivalent of 15 half-hour programs -- in 1965. Among these was "The Inheritance," hour-long special produced jointly with the National Broadcasting Co., which documented the beginning of the Christian faith through the Biblical archaeology of five countries. It brought the largest response to any single television exposure Southern Baptist ever had -- about 17,000 letters. It is now available to churches.

During the spring of 1966, the representatives of the Radio-Television Commission joined NBC-TV in filming in color a third one-hour special, this one on the Life of Christ. It will be telecast in the spring of 1967.

Close cooperation with the Seminary Extension Department and Dr. Ralph Herring, Director of SED, in the adaptation of existing course material has provided Southern Baptist with what is thought to be the first Radio Bible Correspondence Course with seminary credit available. Some 200 students were enrolled through initial radio promotion.

Requests have increased annually from all over the world for technical assistance of various kinds. Most often they come from pastors or missionaries who need program material, ideas for a local opportunity on radio-TV, how to plan for Radio or TV areas and equipment in a new church building, etc. In addition, news programs for state Baptist conventions were started during the year for Arkansas and Tennessee, Georgia and Kentucky have scheduled similar news programs in the fall of 1966.

In our local area, the BAPTIST HOUR is braodcast over WHPE radio each Sunday at 1:00 P.M.

Rev. Woodrow Robbins of Lexington Avenue Baptist Church has a program each Sunday at 12:30 P.M. on WHPE radio.

Dr. E.W. Price of Green Street Baptist Church conducts a program each Sunday at 8:30 A.M. over WMFR radio.

Rev. Jimmy Hinson, pastor of Jewel Baptist Church presents a program, ECHOES OF EVANGELISM, which may be heard each Sunday morning over WHPE radio at 8:00 P.M.

Several of our churches have been featured on Sunday morning TV PULPIT presented on WGHP TV Channel 8.

We appreciate the fine cooperation of our local radio stations in giving time for church announcements on the Bulletin Board, and those who give devotional time, and also to the TV station, WGHP Channel 8, for giving time for devotions and TV Pulpit.

W.M.U. REPORT

Woman's Missionary Union is one of the five Church Program Organizations. Together with the other four: Sunday School, Training Union, Brotherhood, and Music Ministry; they help a church fulfill its Mission in the World. As Woman's Missionary Union is one of the five church program organizations, so it is with the Woman's Missionary Union; the work done by the WMU is Associational Church Work and the tasks performed are Associational Church tasks. As the WMU assumes responsibility for helping Churches in the Association, this program organization makes a distinctive contribution to the total life and work of the churches. The WMU is a vital force in sustained promotion of all WMU work. The WMU also has a responsibility to assist in organizing WMU organizations in churches within the Association where there is a need. The WMU of Central Association actively promotes and undergirds Associational Youth organizations.

There are still six churches in our Association without W.M.U. units of any kind. We covet your prayers as we continue to work and pray, with these our sister churches.

Mrs. Robert Green, our Associational Sunbeam Band Director, held a Day Camp for 8 year old children on July 12, 1966, at Emerywood Baptist Church with 37 in attendance. Rev. Neal Peyton, missionary to the deaf in North Carolina, was the Missionary guest. There are about 21 churches in our Association with Sunbeam Band organizations. Mrs. Green will leave with her husband to go to Heidelberg, Germany on October 15, and Mrs. Hoyt Rutledge will be our new Sunbeam Band Director.

The Executive Board held regular quarterly meetings with an average attendance of eight of the possible 11 (eleven).

Three Associational GA meetings were held with an average attendance of 85. They elected new officers at their last meeting and are looking forward to a new

year.

Under the direction of Mrs. Floyd Rhyne, our Associational Y.W.A. Director, we have had regular quarterly Council meetings, with an average attendance of approximately 25. They had a variety of meetings. One - with a Foreign Missionary Speaker, another, a Home Missionary Speaking, still another was in the form of Personal Testimonies, and the last one was a Playlet. The State Y.W.A. Convention was held in Greensboro, and quite a number of our girls and their leaders attended.

Only one Mission Institute was held. This was the Foreign Mission Institute with 30 present. Several of the churches had the pleasure of hearing Rabbi Herbert Sellerman teach "This is the American Jew."

A three day Leadership Workshop was held on September 19, 20, 21 in the morning and 19, 20, and 22 in the evening at Green Street Baptist Church with about 18 churches being represented and approximately 75 women receiving Accreditation. Miss Kathryn Bullard taught the W.M.S. Leadership course. There was a total enrollment of 80.

Our Associational W.M.U. had officers present for both the State W.M.U. Workshop and the Sunbeam Day Camp conferences.

Another highlight was our Annual Associational W.M.U. meeting held April 28, 1966. The morning session was held at Lexington Avenue Baptist Church and the evening session was held at Emerywood Baptist Church. For the evening session the Brotherhood joined us and they had a part on the program for both sessions. Rev. and Mrs. Troy Bennett, missionaries to Pakistan were our Inspirational speakers. Miss Kathryn Bullare was also with us for both sessions. "Witnessing Through The Home," was our theme with an attendance of well over 250.

The tremendous task of securing and furnishing a home for Rev. and Mrs. Worth Grant, was assigned to the Associational WMU and Associational Brotherhood with WMU President as chairman. With lots of work, prayer and cooperation, the task was successfully completed. It seems that this accumulated effort should not be lost, therefore, it was recommended to the Executive Committee of the Association that a permanent chairman be elected. This has been referred to the Missions Committee of the Association for further study.

Two Prayer Retreats were held last year with an average attendance of 37. Both were held at the home of our Prayer Chairman, Mrs. D.A. Rawley.

Your Associational Officers for 1966-67 are:

President	Mrs. R.C. Fincher
Vice President	Mrs. David Reddick
YWA Director	Mrs. Floyd H. Rhyne
Asst. GA Director	Mrs. E.H. Hackler, Jr.
Sunbeam Band Director	Mrs. Hoyt Rutledge
Director of Prayer	Mrs. D.A. Rawley
Director of Mission Study	Mrs. John Dickey
Director of Stewardship	Mrs. J.W. Saunders, Sr.
Director of Community Missions	Mrs. C.D. Hodge
Pianist	Mrs. Neil Armstrong
Secretary	Mrs. John Wade

Your officers are willing and anxious to assist you in whatever way we can. Please call on us. We are your officers and we want to serve you.

We were challenged last year to Proclaim. This year, "A Church Fulfilling Its Mission Through Education." WMU must work at enlarging WMU organizations to stimulate the enlistment of more church members in study. WMU will also be working to discover ways to make the entire church aware of Missions. Churches

need a renewal of their commitment to their function of Education. WMU has a large role to play in bringing this to pass.

As women and young people sing the WMU hymn of the year, "O Master, Let Me Walk With Thee," they will be reminded that learning results in service and ministry. As we try to serve our Lord in Central Baptist Association this year, may we be challenged by our watchword:

"But grow in grace, and in the
knowledge of our Lord and Savior
Jesus Christ." 2 Peter 3:18

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. 1966

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

As we continue to build upon foundations already laid, special attention is being given certain areas of child care. An already strong program of group care is being strengthened at Mills Home, Kennedy Home and Odum Home. A good degree of progress has been realized in working with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for preschool children, conducted on the Mills Home campus, has had an excellent first year of operation. Churches throughout the state are studying the program and facilities preparatory to providing similar services. Prospects are encouraging for a home for children in the western part of the state more adequately to serve the needs of our people who live west of the Blue Ridge Mountains. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering has exceeded three hundred fifteen thousand dollars ($315,000.00) and is the largest ever. Special gifts and designations such as the Once-a-month offering continue to provide a substantial part of our income. Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services of the Baptist Children's Homes. Roger Williams, former pastor of the Mills Home Baptist Church, is devoting full time to working with our Baptist people in this area, and he or other members of

our staff will count it a privilege to assist you in exploring this field of Christian stewardship.

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ.

Respectfully submitted,
W.R. Wagner

BAPTIST HOSPITAL REPORT

Our Baptist Medical Center Faces A New Day

We are justly proud of the joint efforts of our Hospital and Medical School in Winston-Salem, for today these great institutions stand as one of the very fine Medical Centers of our Country, reflecting the vast progress that has come in the field of medical care.

Many of the fruits of this work seem almost like modern miracles with the added help of new drugs, new techniques, and new equipment. In addition to this has come the new recognition of the patient as a whole person with emotional and spiritual needs as well as his physical problems. We salute Dr. Richard Young and the School of Pastorial Care for its leadership in this field.

We are grateful also that last year, 1966, our Baptist Hospital gave free care to many Service Patients amounting to $1,511,000 beyond what they and their insurance could pay. Although the N.C. Mother's Day offering provided $277,000 of this sum, the hospital, needless to say, (in spite of outside gifts and other funds), closed the year with a $400,000 deficit.

In the light of this, what about the giving of our Association? In 1965, we gave $6,695.37; in 1966, $6,288.24; and in 1967, $4,895.40. What happened? Evidently, our people did not get the message concerning the deficit and the very great and increasing need in this area. While gifts in the state as a whole are increasing, Central Baptist Association, which should be the hospital's staunchest support, seems to be regressing.

However, let me commend eight of our churches who gave more this year than last year. They are Brentwood, Cloverdale, Green Street, Hillcrest, Jamestown, Lexington Avenue, Smith Grove, and Grimes Street Mission. While five other churches gave the same as last year, thirteen churches gave less and nine churches gave nothing at all.

You can know the joy of helping to lift the burden of suffering humanity. Will you not resolve now to encourage your church to increase the amount allotted in the Church budget for this cause in 1968, or purpose to set a higher goal for the Mother's Day offering next May. "He that hath ears, let him hear what the Spirit is saying to the churches." Revelation 3:22

Hospital Representative

SUNDAY SCHOOL REPORT

In 1966-67 the Sunday Schools of all our churches showed an increase of 170 in enrollment with an average attendance of 6643.

The Sunday School had a full slate of workers who planned to attend the State V.B.S. Clinic at Wingate College. Due to an unfortunate accident two of these could not attend. A Good Associational Clinic was held at English Street Church with 2 state workers filling in for those who did not get to attend the State Clinic. There was a good attendance for both the day and night session. It has been a pleasure to

serve as your Sunday School Superintendent for these 3 years and I pray God's blessings upon the work as you move forward under new leadership.

Respectfully submitted,
John E. Wade, Superintendent

REPORT OF BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important than helping a child to grow into healthy, well-adjusted, responsible citizenship. At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of inborn, God given talents of our children.

This agency offers a variety of quality services to the children of families who have not been able to continue a satisfactory pattern of living together. A total of 33 cottages on five campuses provide group care of different kinds. There are two residences for emotionally disturbed children, convenient to a great medical center where psychiatric services are available. This fall, for the first time, a single cottage at Wallburg is being opened for the rehabilitation of boys.

In addition to group homes, the needs of many children are met through the use of Foster Homes. A growing interest in this phase of our work is encouraging. Many families are finding happiness and opportunity for service in caring for foster children. Thus, many boys and girls, who otherwise would not have this opportunity, are privileged to grow up in Christian homes. Should you have an "extra measure of Love" to share in this way the Homes would like to know of your interest.

Regional case work centers, staffed by trained social workers, are located in six prominent areas of the State and add to the ability of the Homes to offer counseling services to distressed families and to those for whom family rehabilitation has been achieved.

In June of 1967 the first of the new family living cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. This building was provided by Mr. and Mrs. William M. York of Greensboro, and is named the York Cottage. It is a model for the family living approach in group child care. A similar cottage is already under construction at Mills Home and two buildings of this type are now being built on the Kennedy Home campus.

The Child Development Center of the Mills Home Campus was established to serve the local community as a means of strengthening family life and to provide a demonstration and informational program which can offer assistance to churches in beginning any phase of weekday care and education for pre-school children. During the 1967-68 session the Center will serve 70 children and their families in two kindergarten groups and nursery school groups, with about 35 children in full day care. The staff is providing consultation services upon request to churches interested in the program.

Members of the Board of Trustees and the Staff of the Children's Homes are committed to the task of maintaining a Christian Program of Child Care - a program that will merit the undivided support and loyalty of our people and that will bring favor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

REPORT OF THE DEPARTMENT OF INTERRACIAL COOPERATION

"I can never really begin to tell all that this summer has meant to me, for how do you communicate the joy you feel when you realize that you had a part in winning 41 boys and girls to Christ? And how do you explain what it means when you find you love as brothers in Christ people you had always feared? Words fail me, but I will say this, I would not exchange this summer for anything in the world."

This is the final paragraph of a letter written by one of the first two white college students who have ever served for a summer in the Department of Interracial Cooperation. But the summer of 1967 also held other successful efforts such as 42 Vacation Bible Schools enrolling over 3,600 boys and girls. In the Asheville area there were seven standard schools held in our General Baptist churches.

Another new undertaking for 1967 was a series of four Human Relations Conferences held in May at Wilmington, Fayetteville, Rocky Mount, and Statesville. The enrollment and participation were encouraging.

Also, in May we regretted to receive the resignation of the Reverend James Barber, a teacher-missionary in Fayetteville. Mr. Barber accepted the pastorate of two churches in Chadbourn and Whiteville.

The Department supported efforts to begin an annual week of interracial fellowship and Christian study in August at Chowan College. It, too, proved successful and will be repeated next year. A similar week of fellowship at Mars Hill College in July had the usual good results.

Again this year a goodly number of the General Baptist State Convention participated in the summer camps and assemblies operated by the Baptist State Convention. It is hoped that these facilities will be used increasingly in the future.

The convention year reached a climax in August as the General Baptist State Convention held its centennial celebration and voted unanimously to enter the Crusade of Americas. The vote included the acceptance of an invitation for the two conventions to jointly plan and sponsor a conference on evangelism to be held in Greensboro in 1969.

The year has been most encouraging but concludes with much work yet to be done. It is our prayer that the dedicated Christians in our Baptist churches throughout North Carolina will continue to work tirelessly for the time when all of God's people might sit down together and plan and work to fulfill the purpose of God in the world.

Respectfully submitted,
Corbin L. Cooper, Secretary

ASSOCIATIONAL FOUNDATION REPORT FOR 1967

In the absence of our very efficient Executive Secretary of the Baptist Foundation of North Carolina, we shall attempt to provide a brief report for such use as may be necessary for the Associational Meetings beginning the first week in August. Certainly in the history of the work of the Baptist Foundation and especially in its last four years of active promotion, 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman, Dr. I. G. Greer, has been critically ill at his home in Chapel Hill. Some two weeks ago our Executive Secretary, C. Gordon Maddrey, was stricken with a series of heart attacks and has remained in critical

condition in Rex Hospital. The loss of the leadership of these two faithful men at any time would be tragic, but especially as we approach the annual meetings of our Associations throughout the Convention.

If Mr. Maddrey were able to prepare this report, he would thrill us with the many interesting and challenging developments up to the time of his illness two weeks ago. This has been the most fruitful year in the work of the Foundation with many new commitments and marked progress in developing some of the projects of large standing. This is especially true of the New Home for the Aging in Yanceyville which you will hear much more about in the report on the Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

It will be our purpose to have a representative in all the Associational Meetings to bring a last minute report on both the work of the Foundation and the condition of our fine leaders. Certainly all of us will continue to remember them in our prayers and best wishes.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Your North Carolina Baptist Homes for the Aging have been on the move during the past year. With the opening of our new home in Yanceyville we will be able to care for thirty more aging persons, this will bring the total number to 200.

As you know, we now have five Homes and an Infirmary in operation, Resthaven and the Hayes Home in Winston-Salem; the Ablemarle Home in Albemarle; the Hamilton Home at Hamilton; and the new Home at Yanceyville.

In these Homes you have an eternal investment and can rejoice in the loving care which you are making possible, for our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the support of our residents--the Special Day Offering, received on the third Sunday of February each year, and our share in the Co-operative Program.

The Special Day Offering for 1967 is at an all-time high and has increased by 10% over last year. This is most commendable, but when we face the reality of costs, which have advanced by 20%, and the maintenance of a new Home and the care of thirty additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from our Baptist people continue to increase in proportion to our needs.

We wish to thank all of our Baptist people across the State who are enabling us to minister to the aging in Christ's Name, and we want all of you to know that each of your five Homes exists for the people, from all over our great State. We could not operate without your love, your prayers, your concern, and your financial support.

In the midst of our joys have been our sorrows. Our oldest resident, Aunt Fannie Drumwright, passed away in June, just short of her 106th birthday. She came to live with us at age 93, and the 13 years of her presence with us have a shining example of the special significance of a Christian ministry to older people. The compassionate nursing care alone which this little lady received is reason enough to thank God for the people called Baptists, whose vision and concern for mankind have included the aging in answering the Master's call in the service of the Lord.

You will be interested to know that we now have three residents from the Central Association in the Baptist Homes. They are: Mr. Ellis Blakley in the Hayes Home, Mrs. Mary Ellis in the Hayes Home and Mrs. Ida Shipley at Resthaven.

During this year 22 churches in the Central Association gave $2,165.76 to the

Homes. This compares with $1,792.14 given by 21 churches last year. We greatly appreciate each gift that has been given. We trust that each of us may do more during the coming year.

J. D. Allgood, Jr.

DENOMINATIONAL LITERATURE

The printed page has power for good or evil. On the printed page the Gospel with its soul-saving, life-giving message can be sent to every part of the world today. As Baptists we can be justly proud of our Sunday School Board of the Southern Baptist Convention whose "objective is to support the Southern Baptist Convention in its task of bringing men to God through Jesus Christ by making available Bibles, lesson courses and materials, books, films and filmstrips, music and recordings, and church supplies and by fostering education and service programs which will help the churches to establish, conduct, enlarge, improve their ministries of Bible teaching and Christian training."

This objective is pursued through 25 major programs. One of the programs is Church Literature publishing whose objectives include:

1. To edit, produce, and distribute to churches the general and curriculum materials that will help them to carry forward a balanced program of Bible teaching and Christian training.
2. To edit, produce, and distribute study and reading materials, which will help persons become aware of God as revealed in Jesus Christ, respond to him in a personal commitment of faith, strive to follow him in the full meaning of Christian discipleship, live in conscious recognition of the guidance and power of the Holy Spirit, and grow toward the goal of Christian maturity.

Baptists are kept informed concerning their program for missions through various publications by the respective mission boards. The Foreign Mission Board publishes "The Commission" and "Home Mission" is published by the Home Mission Board.

North Carolina Baptists can be genuinely proud of two outstanding publications. Through the BIBLICAL RECORDER and CHARITY AND CHILDREN every phase of Baptist life is touched. Through these publications we receive study material as well as up to date news on matters relating to the interest of concerned Christians.

The BIBLICAL RECORDER comes weekly to 2,118 subscribers in our association. This represents 24 churches and 2 missions. Twelve churches do not have Recorder Clubs.

Regarding the effectiveness of the BIBLICAL RECORDER, a number of daily newspapers, credited it with being a major factor in the defeat of a liquor-by-the-drink bill in our General Assembly this past spring. Every phase of Christ's work would be strengthened if other homes can be added to the nearly 89,000 already receiving this publication. Under the Church Budget Plan this can be done for only 4¢ per week. The 12 churches in our association without Recorder Clubs should prayerfully consider getting their people informed through the BIBLICAL RECORDER.

Clyde H. Tucker

RADIO AND TELEVISION REPORT

One of the interesting results of studying church history is the fact that each generation is seeking to make the Gospel "Relevant" to each generation. We hear on every hand the cry, "Make the Gospel Relevant!" Often, it seems, that what the cry

means is this: Do away with the distinctive Christian Gospel, and appeal to human nature on a human basis.

This is not what is needed--a watered down gospel for a wild age! But we need the total gospel for the total population, the whole gospel for the whole world. May our beloved denomination - the Southern Baptist Convention - ever be faithful to the gospel of grace set forth in the inspired word of God.

One of the agencies of our convention is the Radio and Television Commission, located 6350 West Freeway, Fort Worth, Texas 6116. Paul M. Stevens is the director. This agency is geared to this modern day, seeking to reach the multitudes in all the world by means of the radio and the television. The Radio and Television Commission is the Handmaiden of State, Home and Foreign Missions. They seek to get the Gospel out to all peoples. The only thing hindering them is money to produce, to have ready, the materials for the many outlets in this country and around the world.

Instead of seeking to give a summary of the Radio and Television Commission, I will mention the local emphasis. (However, if one would like to see what this Commission is doing see the report of the Commission to the Southern Baptist Convention in Miami, in the 1966 ANNUAL of the Convention, pp. 256-259. This gives the full, detailed and fascinating report.)

In our own area, the Radio and Television Commission has the following programs: Channel 8 TV in High Point, "The Answer," a TV program (very good) 6:30 p.m. on Sunday. Over WHPE is "The Baptist Hour," 1:30-2:00 p.m. on Sunday. On WNOS, 12:40 p.m. "North Carolina Religious News Scope," In Greensboro over WCOG is "Master Control," 10:05 a.m. Sunday. All of these from our Radio and Television Commission.

Programs sponsored by local churches and individuals are: Rev. Jimmy Hinson, "Echoes of Evangelism," on Sunday morning on WHPE. Dr. E. W. Price, WMFR on Sunday Morning, "Messages of Faith," Rev. Woodrow W. Robbins, "Radio Bible Questions and Answers," 12:30 - 1:00 p.m. Sunday on WHPE.

"The Hour of Decision," WMFR, 1:00 - 1:30 p.m., the Billy Graham Program, is well known and followed. Recently Reidsville opened an FM radio station, where Christian programs are given through the day and Christian music. Also, a new radio station in Winston-Salem has many Christian programs.

Let us remember that we can control what comes into our homes. The button on the radio and television sets are for the purpose of turning on and OFF, and should be used to see that the finest in music and programs come into the home. Which leads me to say: Let the stations know when a program PLEASES you. Also, let the stations know when a program DOES NOT PLEASE you.

Let us pray for a greater outreach for the gospel of Jesus Christ, and let us pray for the Salvation of precious souls through these outlets.

Respectfully submitted,
Woodrow W. Robbins

MISSIONS COMMITTEE REPORT

Your Missions Committee met several times this past year. We share with you the highlights of our work.

At our November meeting, we reviewed the relationship of the Superintendent of Missions and the Association and adopted a working relationship that was suitable. We studied requests for State aid from two churches. Oakview Baptist Church made application for $2,500.00 to aid in purchase of their new property on Oakview Road. Lake Park Baptist Church made application for Pastoral aid in the amount of $1,200.00. Both of these were approved and recommended to the Executive Committee for their approval. We discussed the motion made at the Annual meeting which charged this

Committee with looking into the selling of the Missionary's home and building a permanent associational office and give the Superintendent of Missions a rental allowance. It was decided that we would look into three possibilities: (1) an office-home combination, (2) a new office building, or (3) a building that could be renovated.

At the May meeting we discussed what to do with the furniture that the Worth Grants were using. The Grants were soon going to return to Japan. We decided to recommend to the Executive Committee that we store the furniture until another missionary family could be secured to use the furniture. We also proceeded to write all missionaries who were approaching leave and were from North Carolina. In our investigation of office facilities, the Committee found a site that would have been ideal, not only for an office, but also for a ministry to high school students. But someone else bought the property before we could get action. It was recommended to the Executive Committee that the Missions Committee be given the right of option up to $100 if they find again such desirable property.

By July, the Worth Grants had left for Japan and the furniture owned by the Association was placed at Haley's Transfer and Storage. As of yet we have not been able to secure another missionary family.

The Committee met again in August, but no formal actions or recommendations came from the meeting. We have tried to work closely throughout the year with our Superintendent of Missions. We are grateful for his guidance. Below are some of the statistics of the Superintendent's work:

Local Church Visits	156
Messages Brought	131
Individual Conferences	791
Group Conferences	103
Denominational Meetings Attended	17
Miles Traveled	21,875

TRAINING UNION REPORT

Through a number of years it has been my privilege to be a part of a Baptist Training Union and have learned through personal experience the value of training from a Christian and leadership viewpoint. Therefore, if I could have my wish, it would be that all Christians be Training Union trained. We would then have many more willing workers in Christ's Kingdom work.

As in all of Christian work, there are many things accomplished in Training Union that most of our people do not know about. May we share with you some things we have done this year. Through the year there were five Executive meetings held to plan the work and program for the different meetings.

The "M" Night program was a very inspiring one. The Young People of the First Baptist Church presented a drama, "What Went Wrong?" This was followed by a message by Reverend Clyde Tucker. There were 24 churches, 18 pastors, 16 Training Union Directors represented in this October 7th meeting with over 400 in attendance.

The Youth Banquet was held at First Baptist Church on March 31. A delightful meal was served and a fellowship period was enjoyed by the 118 present. The program was The Intermediate Sword Drill and the Young Peoples' Better Speakers Tournaments. The sword drill was led by Miss Alma Bumgarner. Miss Elizabeth Ann Eagle of First Baptist Church received first place recognition and Miss Carla Rutledge of Fairmont Park Church, second place. Mr. Ira Baker directed the Better Speakers Tournament.

Mr. Charles Warren of the First Baptist Church received first place and Mr. Frank Legrange of Lexington Avenue Church, second place. Mr. Legrange represented the Association in the Regional Tournament at First Baptist Church, Greensboro, North Carolina.

Reavis Memorial Church was host for the Junior Memory Work and Adult Scripture Reading Tournaments. Mrs. Homer Smith led the Junior Memory Work Tournament. Of the 42 Juniors from this tournament becoming eligible for the Regional Tournament, 40 of them went on to participate in the State Tournament; six of these becoming four-year state winners. These are Donnie Welbourne, Fairmont Park Church; Jayn Cox and Linda Sears of Green Street Church; and Sheron Hodgin, Lesa Tucker and Robbie McGowan of the First Baptist Church. I feel that special recognition is due the First Baptist Church Juniors under the leadership of Mrs. E. K. Hightower, who had 28 Juniors in the Associational tournament and was told this church had more than any other church in the State tournament.

The Adult Tournament was led by Mr. L. B. Weaver, who has served well for some time in this capacity. First place winner went to Mrs. W. D. Anderson of Green Street Church.

Our Association is honored by the election of Mrs. Roy Kelley of Green Street Church and Mrs. E. K. Hightower of First Baptist Church to serve as Junior leaders in the Regional Convention.

The State Youth Convention was held in the First Baptist Church, Boone, North Carolina on April 28-30 with some 60 Young People from our Association attending.

On March 17, an Interpretation Clinic was held in the North Main Street Church for the purpose of introducing the new Training Union Manuals. This Clinic was led by State and Southwide workers. A number from our Association attended the summer Assemblies. English Street Church was host to the Church Officers Clinic, September 26, with 60 in attendance. There was a conference for: Ushers, Church Clerks, Treasurers, Stewardship, Lords' Supper, Benevolent and Kindergarten and Child Care.

We, your Associational officers are glad to help you in any way we can. We need your prayers and ask your continued co-operation as each seeks to serve our Lord.

Respectfully submitted,
John Reavis, Director

JUVENILE REHABILITATION REPORT

The highlight of the Juvenile ministry for this year was the camping trip to Camp CarAway. Eighteen boys under the capable counseling of Rev. Jimmy Hinson, Rev. Beldon Smith, Rev. John Wade, Mr. Oscar Horrell and Mr. Bob Flemming participated in this event. The counselors held an evaluation meeting of the camping trip and concrete suggestions were made for future outings. It is evident the time of camping should be extended to at least four days and to a full week as soon as possible.

The Juvenile Committee has had one meeting with Judge Ralph A. Walker and he assured the Committee of his interest and cooperation in the Associational Juvenile Rehabilitation Ministry. Mr. Walker was recently appointed Judge of the Domestic Relations Court.

There are at present over thirty active sponsors and after recent meetings with Mr. Aubrey Strother, Senior Probation Officer, new plans were formulated which will greatly increase this number in the very near future. From all indications, the year 1967-1968 should be our greatest year in Juvenile work.

W.M.U. REPORT

Woman's Missionary Union is one of the five Church Program Organizations. Each organization has special work to do. Together they help a church fulfill its mission in the world. As Woman's Missionary Union is one of the five church program organizations; so it is with the Associational Woman's Missionary Union. The work done by the Associational W.M.U. is Associational church work and the tasks performed are Associational church tasks. The Associational W.M.U. assumes responsibility for helping churches in the Association, it makes a distinctive contribution to the total life and work of the churches. The W.M.U. is a vital force in sustained promotion of all W.M.U. work and in providing opportunities for inspiration and fellowship with W.M.U. members from other Baptist churches. The Associational W.M.U. also has a responsibility to assist in organizing W.M.U. organizations in churches within the Association where there is a need. The W.M.U. of Central Association actively promotes and undergirds Associational Youth Organizations.

We still have in our Association a number of churches who do not reap the benefit of having any kind of W.M.U. units. We covet your prayers as we continue to work and pray with these our sister churches.

Four Associational G.A. Meetings were held with an average attendance of 70. The first and last meetings, officers were installed and the new leaders were introduced. The third meeting seemed to be the one which was most enjoyed by the girls, in which a vivacious G.A. girl - Debbie Grant - talked on her life in Japan. One Associational Newspaper went to press and this was accepted with great enthusiasm. Mrs. Hackler reports that all of next year's meeting places have been arranged.

Two Prayer Retreats were held at the home of the Prayer Director, Mrs. D. A. Rawley, with an average attendance of 40. They were very inspirational and one of the traditional highlights was the singing of Ophelia Sutton as she lifted our hearts in song.

Mrs. Floyd Rhyne reported that the Y.W.A. Council met quarterly with an average attendance of 25. The Association was well represented at the Y.W.A. Convention in Charlotte, North Carolina. One new Y.W.A. was organized with an enrollment of 8. Another highlight in the Association was one girl receiving her citation.

All quarterly executive board meetings were held at the home of the president with an average of 8 in attendance.

Under the leadership of Mrs. John Dickey, two Associational-wide Mission Studies were held. This was the first of this kind and the response was good. The Foreign Mission Study was on India and a young man born and raised in India taught us this book--Kirk Christian. Thirteen churches were represented with an attendance of 200. Mrs. Brooks, born and raised in the Great Lakes area, brought our Home Mission Study. There were well over 200 in attendance at this meeting.

A highlight of the year was our Annual Association W.M.U. meeting held April 27, 1967. The morning session was held at Brentwood Baptist Church with lunch being served. The evening session was held at English Street Baptist Church. Rev. & Mrs. Marvin J. Southard, Missionaries of the Dan Valley Center, Spray, North Carolina and Rev. & Mrs. Worth Grant, Missionaries to Japan, were our inspirational speakers. The ladies speaking in the morning and the men at night. For our night session, the Associational Brotherhood joined us. The theme was "A Learning Fellowship." There were over 275 in attendance.

Our Associational W.M.U. was well represented at the State W.M.U. Convention held in Winston-Salem, North Carolina.

Your Associational officers for 1967-68 are:

President	Mrs. Hoyt Rutledge
Vice-President	Mrs. E.W. Price
Y.W.A. Director	
Assistant Y.W.A. Director	
G.A. Director	Mrs. Sammy Young
Assistant G.A. Director	Mrs. Charlie Monk
Sunbeam Band Director	Mrs. Ralph Miller
Director of Prayer	Mrs. W.F. Clayton
Assistant Director of Prayer	Mrs. D.A. Rawley
Director of Mission Study	Mrs. Eugene Spears
Director of Stewardship	Mrs. J.W. Saunders
Director of Community Missions	Mrs. C.D. Hodge
Pianist-Organist	Mrs. Oscar Ray Horrell
Secretary-Treasurer	Mrs. John E. Wade

These, your officers, are willing and anxious to assist you in whatever way they can. They are eager to help, but they must know if you need and want help. So please call on them.

As we challenged this past year to educate, this year we are challenged to minister, and the W.M.U. is equipped to help the church fulfill its mission through ministry. During the year of emphasis, W.M.U. will focus on mission action. The Mission Action work done by W.M.U. is an organized effort to witness and to minister to persons of special need or circumstance; "A Church Fulfilling Its Mission Through Ministry."

As women and young people sing the hymn of the year, "Where Cross the Crowded Ways of Life," they will be reminded of the multitudes who need to be shown the love of Christ.

May we, the women of Central Baptist Association, dedicate ourselves anew and be challenged as never before to be more involved in Mission Action for our Lord as we apply our watchword:

"Inasmuch as ye have done it unto one of the least of these ... ye have done it unto me." Matthew 25:40.

Respectfully submitted,
Mrs. R.C. Fincher,
Associational W.M.U. President

CHRISTIAN LIFE COMMISSION OF THE SOUTHERN BAPTIST CONVENTION

During the past year, the Christian Life Commission significantly increased its applied Christianity ministries to Southern Baptists. This encouraging progress was made possible by increased Convention support for the Commission's program of Christian morality development. It is now clear that rank-and-file Southern Baptists are increasingly aware of the need to apply the Christian gospel to the world in which we live. Especially pressing is the need for God's good news in Christ in the midst of the moral revolution now taking place throughout the nation.

Tangible evidence of Southern Baptists' response to its Christain Life Commission's ministries is impressive. For one thing, the Commission's written material reached a new high in total circulation--71,290,000, or an increase over the previous year of 17,453,977. In addition to these materials which were channeled through Southern Baptist publications of all kinds, more than a quarter of a million pamphlets were distributed upon the request of individual Southern Baptists or the churches. Work was completed on a new series of pamphlets entitled "Issues and Answers," providing basis information and a plan of action for Christians on alcohol, honesty, race relations, juvenile delinquency, pornography, the mass media, communism, poverty, peace and gambling.

There was a gratifying response during the past year to the conferences planned by the Christian Life Commission. Especially noteworthy were the lectures by Dr. David R. Mace, a foremost authority on family life, at Glorieta and Ridgecrest on the theme, "Toward A Christian Interpretation of Sex." Attendance was the largest in the history of these conferences, averaging about 400. The Commission staff also participated in specialized meetings at almost every level of Southern Baptist life, using every opportunity to emphasize Christian moral responsibility in local churches, associations, state Baptist conventions, and with the rising generation on college and seminary campuses. More new books, articles, and study materials were published last year than ever before in any twelve month period to help Southern Baptist with the application of Christian principles in daily life. Four books, numerous articles, and many kinds of training materials were included among these publications.

Although the past year has seen substantial progress in Christian Life Commission services, there is an undeniable need for broader and more effective ministries in the year ahead. The Commission staff earnestly solicits the prayerful support of Southern Baptists and offers to them its full resources for the development of Christian morality.

REPORT ON EVANGELISM

Since I have been Chairman of Evangelism for just two months, there is very little to report. I did attend Ridgecrest for the Home Missions Conference on Evangelism. My heart was stirred by our leaders as they placed upon us the challenge of the Crusade of the Americas. At this time, I believe that we should already be planning and preparing for the Crusade. We need to get our Churches committed and dedicated, under God, to make this the greatest Revival America and the world have ever know. I believe that God has Revival for these times, when we as Christians get under the burden for a Spiritual Awakening.

Following is a Calendar of Activities for The Crusade of The Americas in North Carolina. I hope that each of us will realize the need for preparation and use these dates to the glory of our Lord.

5th Sunday of Each Month	(NON-EVANGELICALS) NEIGHBORS DAY Each church would invite neighbors (Non-Evangelicals) to attend church services on these days. (For help write: Division of Missions, *BSC)
	PROJECT 500 (Effort to begin 500 new churches in U.S. 1968-70. For help write: Division of Missions, *BSC)

The date for our Association to participate is April 27-May 11, 1969. If you need help in any of these areas, please feel free to call on the various Department of our Baptist State Convention. Or if I can be of any help at all, I shall be happy for you to call on me. Further, if there are any suggestions which may help in our Association, in the area of Evangelism, please let me know.

Respectfully submitted,
Tobie P. Stone, Jr.

Your Resolutions Committee brings the following recommendations of expression.

FIRST, Our appreciation to English Street Baptist Church and Allen Jay Baptist Church for their warm hospitality and enjoyable meals.

SECOND, That we express our gratitude to Rev. Floyd Rhyne, our Superintendent of Missions, for his faithful service this past year. Also, to our Associational Officers and others who have given assistance in the Associational Office, we express our deepest appreciation for their unselfish service.

THIRD, That we send letters of thanks to radio stations WHPE, WMFR, WNOS and to WGHP-TV for giving time to our churches for programs and announcements; and to the High Point Enterprise for their coverage of church news, especially the Church Page on Saturdays.

FOURTH, That we express our appreciation to our Moderator, Vice-Moderator, Clerk and Program Committee for an informative and inspirational program.

FIFTH, Be it further resolved that each one of us go back to our churches with a renewed determination to be a better servant of our Lord Jesus Christ in doctrine, life, and deed.

Respectfully submitted,
Resolutions Committee

REPORT OF BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1,300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Co-operative Program income through the churches is increasingly important. Last year's Thanksgiving offering is the largest ever - now approaching $325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year - two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Saviour and Lord.

Mrs. Hoyt Rutledge

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Rev. William A. Poole, Superintendent, writes that the past year has been the most eventful in the history of the Homes. One very important event was the opening of the Yanceyville Home on November 1, 1967. It was dedicated on April 25, 1968 with Governor Dan Moore as the principal speaker.

When the Yanceyville Home, accommodating thirty-one (31) residents, is filled to capacity, the number living in all our Homes will reach two hundred (200). Residents

at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home, and the infirmary constitute a large and ever-growing family of elderly people who receive, not only the necessities of life, but the constant care of a staff of trained and efficient workers.

The waiting list continues to grow, but has been revised and is a bit more realistic. The pressure has been greatly relieved by the opening of the Yanceyville Home, and applications from different parts of the state are encouraged.

Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts come from two sources: (1) The Special Day Offering, received on the third Sunday of February each year, from which the Home received 22 1/2% of their total support. (2) The Cooperative Program from which we receive 12 1/2% of total income. Gifts for 1967 from these two sources were at an all time high and amounted to $200,000.00.

The average age of the two hundred in our Homes for the Aging is eighty years. What a privilege we all have in sharing for the needs of these aging friends. Our Superintendent says that unless our special gifts and the income from the Cooperative Program are increased, our Baptist Homes cannot be maintained on the same high standard that they are now operating on. North Carolina Baptists do not want these aging friends to "lack any good thing."

REPORT OF CHRISTIAN LIFE COMMITTEE

The Christian Life Committee has had several meetings through the year to discuss the areas of our concern. During the Christmas and New Year's Holidays we sponsored 140 spots on radio stations WHPE, WMFR, and WNOS. Five ads were carried in the High Point Enterprise. These were endeavors to encourage the people to keep Christ in the center of their lives and to give Him the rightful place in the Christmas holiday observance. A part of the theme was to discourage the use of alcoholic beverages.

Pornography and obscenity is a matter of growing concern. This is a very destructive force to the moral fibre of our society. Every parent should be aware of the type of literature that comes into the home and should encourage wholesome reading for all members of the family.

The primary concern of the Committee at the moment is the election on liquor stores to be held November 5, 1968. This must be approached through prayer and supported with funds.

Specifically we recommend:

1. That Pastors urge all members to make this a matter of prayer.
2. That all churches cooperate with the Citizens for Christian Action by:
   (a) Praying for those leading the opposition to liquor stores.
   (b) Giving financial support with special offerings, individual gifts, or from the church budget.
   (c) That volunteer workers lend their service through the office of the Citizens for Christian Action, 130 South Main Street.
3. That every member of our churches resolve to witness and work for the defeat of this enemy to the church, the home, the individual, and to society as a whole.

Clyde H. Tucker

TRAINING UNION REPORT

The Training Union is still working to accomplish the task of training leaders for Christ' Kingdom in our Association.

To give a summary of the activities we share with you the following highlights of the year: Mobilization "M" Night was held October 9, 1967 in the First Baptist Church, High Point. About twenty young people from the First Church under the leadership of Miss Alma Bumgarner and Mrs. Neal Lancaster gave a very fine presentation of the drama "Who Cares, Anyway?" This was followed by an inspiring message by Dr. Robert S. Cook, Consultant Adult Work, Field Service Section, Training Union Department, Baptist Sunday School Board. There were over 600 in attendance including 24 Pastors and 16 Training Union Directors. Of our 36 Churches and Missions there were 26 represented. Oak View Church again received both the attendance and percentage banner.

We were a sponsor of the "World Missions Conference" held in our Association March 17-22.

On March 29th, the Youth Banquet was held in English Street Church with 68 attending. Mr. Barry Brown of the First Church gave a humorous skit. Fun and fellowship was enjoyed by everyone. This was followed by the Young People's Better Speakers Tournament. Taking first place to represent our Association at the Regional Convention were: Miss Ronda Goodwin, age group 17-18 and Frank LeGrange, age group 19-24, both of First Church. Ronda received first place and Frank was first runner up in the Regional Convention. Those participating in the Intermediate Sword Drill were: Debbie Stutts, Jewel Church, Pat Corns, Lexington Avenue Church, and Elizabeth Ann Eagle of First Church. Elizabeth Ann received first place recognition and represented the Intermediates in the Regional Convention.

The Junior Memory Work and Adult Scripture Reading Tournaments were held in Lexington Avenue Church on March 31st. Of the total number of Juniors participating we had 37 going on to the State Tournament at Caswell. Mrs. Linda S. Morgan was judged first place in the Adult Scripture Reading Tournament and second place at the Regional Convention.

A large number of our very fine Young People attended the State Youth Convention held April 26-28 in Raleigh.

A Children's Leadership Conference was held in the Lexington Avenue Church May 6-9, with 30 attending. The Conference was led by Robert H. McGowan, First Church, High Point, Mrs. E.L. Spivey and Miss Jeanette Wheatley, Approved State Leaders.

MISSIONS COMMITTEE REPORT

The Missions Committee of the Association has tried to fulfill its task this past associational year. As a committee we have met several times to try to meet the needs of our work, and as individuals have put many more hours in trying to implement the work.

Our first meeting dealt with several matters of urgency. We began by adopting a working relationship with our Superintendent of Missions that would help him define and accomplish his job. We then studied several requests from churches for financial aid from the Missions Department of the State Convention.

Oakview Baptist Church applied for $2,500.00 to aid in the purchase of their property on Oakview Road. College Heights Baptist Church applied for Pastoral Aid in the amount of $1,200.00. Lake Park Baptist Church made application for Pastoral Aid in the amount of $1,200.00. Trindale Baptist Church applied for $1,600.00 in

Pastoral Aid. Each of these requests were approved and recommended to the Executive Committee for their consideration. We also discussed some needed repairs and remodeling to the Associational Pastorium. A committee was appointed to investigate prices and bids.

Sometime later, after much searching, the following work was approved by this committee and the Executive Committee, to be done by Mr. Roland Brown, a contractor, for the price of $2,637.86. The screened porch was enclosed to make a Den. A storage room was added to the rear of the carport. A wall was removed between the Dinette and a very small room, to provide a larger dining area. New tile was installed on the Kitchen, Dinette, and Den floors. All of the outside woodwork was painted along with the new work. While all of this was being worked on, the furnace burned out, doing some smoke damage to the house. After several bids were obtained, the committee recommended that a new gas furnace be installed by Welborn Plumbing & Heating at the price of $408.00. Also certain painting and cleaning on the inside was necessary. The furnace and other repairs were paid for by our insurance with the exception of $50.00. A new addressograph machine was purchased from Elliott Business Machines for the Associational Office.

During the year we have tried consistently to enlist a missionary family to locate in our city during their furlough year and use the furniture that the churches and individuals have provided. But all of these inquiries have been unsuccessful. Due to the high cost of the storage of this furniture, we passed this on to the Executive Committee to be considered, as to what to do about this matter. The Association in annual session will have opportunity to discuss this we hope.

It has been a rewarding experience in working with this committee again this year, although we have not felt that the accomplishments are what we would want. As always, our Superintendent of Missions has been a great help in advice and the initiating of new ideas and suggestions. We are grateful for his guidance. Below are some statistics that tell a part of his work though by far, not all:

Local Church Visits	159
Sermons Preached	147
Individual Conferences	711
Group Conferences	137
Committee Meetings	93
Denominational Meetings Attended	12
Miles Traveled	22,746

BAPTIST HOSPITAL REPORT

This is a full year at our Baptist Hospital with more than 30,000 sick people being given medical service and Christian ministry, and more than 165,000 visits being made to the clinics of the hospital. In addition to this more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which is greatly to increase the capacity of the Medical Center to train and to serve is providing:

A new power plant is scheduled to go into operation, October, 1968.
A paramedical school building, April, 1969.
A Medical School addition, September, 1969 and
A new patient building (200 additional patients), 1971.

Although the cost of this large development program is being provided by interested

individuals, corporations, foundations, etc., this has been a very difficult year financially for the hospital, and this has made it necessary to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a growing deficit.

This means that from now on, the amount of free service will have to be governed by the amount of the Mother's Day Fund. Since this item is not included in the Co-operative Program, we strongly urge every church to place a generous amount in their annual budget for this offering, or to set a worthy goal for a generous offering on Mother's Day, the second Sunday in May. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

We commend 12 of our churches for an increase in their gifts this year for the Mother's Day Offering. They are: Archdale; First, Brentwood, College Heights, Conrad Memorial, Fairmont Park, Lake Park, Pilot View, Smith Grove, Trindale and Trinity.

Overall, however, we are giving less each year as an association, for example, $6,695.37 in 1965 compared with $5,543.64 in 1967, and the $5,000.00 mark has not yet been reached in 1968.

Let us not forget the words of our Saviour: "I was sick and ye visited me." Inasmuch as ye have done it unto one of the least of these, my brethren, ye have done it unto me. What will your Church do for Christ in 1969???

Respectfully submitted,
Elliott Stewart
Hospital Representative

ENLARGING: New officers in the various churches have been elected and have taken the leadership course to enlarge the age-level organizations where there has been none before.

IMPROVING: Because we believe that change cannot be left to chance, much of this year has been spent preparing ourselves for the 1968-69 year when the new plan of W.M.U. will go into effect.

Beginning in March, the Association team plus WMS Presidents from many of the churches in the Association attended an interpretation meeting held at First Church, Greensboro.

The evening service of the Annual W.M.U. meeting featured Mrs. W.K. McGee, Prayer Director for the state, who brought an interpretation of the new materials for the new W.M.U. plan.

Throughout the summer the Associational W.M.U. President has visited in the churches at their request to further interpret the new W.M.U. plan.

Three members of the Associational team plus some from other churches in the Association attended Ridgecrest Baptist Assembly.

The new Leadership course taught in August, was geared to inform and instruct new leaders of their responsibilities in the new W.M.U. plan.

SUNDAY SCHOOL REPORT

In 1967-68 the Sunday Schools of our Association showed a decrease of 436 in enrollment with an average attendance decrease of 223.

This year our Sunday School enlisted workers who attended the State V.B.S. Clinic at Wingate College. Our Superintendent of Missions and his wife accompanied us, and helped in many ways as we planned the V.B.S. Clinic. Much credit for a very successful Vacation Bible School Clinic in our Association is due Rev. Russell Hinton, former Minister of Education at North Main Baptist Church.

This year we worked in connection with Floyd Rhyne and Dr. E.W. Price, Jr., pastor of Green Street Baptist Church and Moderator of our Association in conducting a one night Sunday School emphasis. The attendance at this meeting was very good; most of our churches were represented.

As we face another year, a full slate of Sunday School Officers has been enlisted. We are planning to broaden out in our Sunday School work, hoping that we can be a blessing to all the churches of our Association. Please call on us if you think we can be of help.

Respectfully submitted,
Duncan Futrelle, Superintendent

ANNUITY BOARD REPORT

IMPORTANT DATE FOR ALL NEW MEMBERS IN PLAN "A"

The three-plan Southern Baptist Protection Program has one provision in Plan

"A" that will affect all prospective new members soon; this provision is called "Delayed Participation," commonly known as a "grace period." The grace period provision will become effective on January 1, 1969. The provision states that the grace date is established in one of three ways: (1) as of January 1, 1969; (2) on the member's 26th birthday; or (3) one year from the date he first becomes eligible, whichever is the latter. This simply means that if a member joins Plan "A" of the Protection Program later than his grace date, the disability, widow, child, education and dependent parent benefits will be proportionally reduced. The reduction will be the ratio which such years of delay bear to the total years from the grace date to the normal retirement date. Therefore, it is important that all who are now eligible join the Program before January 1, 1969.

Response to the new Program has been good. During 1967, 3,146 members joined some part of the three-plan Program. The plans in the Protection Program are: Plan "A," formerly called the Southern Baptist Protection Plan, and the plan in which benefits were increased and new ones added; Plan "B," the Age Security Plan; and Plan "C," the Variable Benefit Plan.

Information about the Protection Program, including the "grace period" provision, may be obtained from the annuity secretary in your state at the Baptist Building, or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

ANNUITANTS RECEIVE "13TH" CHECK

For the second consecutive year, all persons receiving a life benefit were mailed a "13th" check. Each check was for an amount equal to 12 per cent of his annual benefit. These checks were made possible because of interest earnings in excess of what the plans required. The trustees approved, two years ago, the issuance of the "13th" checks, providing the Board realized such excess interest earnings.

DUES ON TOTAL SALARY ENCOURAGED

Inflation continues to affect the buying power of the dollar for everyone, including those who have retired. No sign of a leveling off period of the inflationary trend is indicated. The Protection Program is designed to help any church provide as much retirement income for the minister and staff as it desires. Many churches are moving to ten per cent dues on total salary, recommended as a minimum by the Annuity Board and state convention secretaries.

REPORT FOR 1967

As of December 31, 1967, 1,202 new members had been issued certificates in Plan "A" of the Protection Program. A total number of 17,400 churches were providing the Program for their ministers.

Of the 174 agencies in the state conventions and the Southern Baptist Convention, 145 were providing the Program. The total number of employees covered in the agency programs was 7,140.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 310 Hillsborough Street, Raleigh, North Carolina, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

Respectfully submitted,
Guy S. Cain

RADIO AND TELEVISION REPORT

Remember what the Apostle Paul wrote in I Cor. 9:22, "That I might by all means save some." This is what the Radio and Television Commission of the Southern Baptist Convention seeks to do.

The 1968 SOUTHERN BAPTIST CONVENTION ANNUAL gives a full and exciting report of this mighty ministry of the wonderful Word of the Living God, pp. 247-250, with the financial figures on p. 356. Here is a summary of the work:

RADIO AND TV COMMISSION MINISTRY

In recent years the Commission's outreach has blossomed to phenomenal proportions. It produces and distributes 28 radio and television programs. More than 1,500 stations air these programs in a total of 2,300 broadcasts each week, and they have an estimated audience of 50 million people--a quarter of the nation's entire population.

The Commission's "Baptist Hour" and "Master Control" are familiar programs to much of the American radio audience. "The Baptist Hour" is a radio worship service featuring the evangelistic messages of Dr. Herschel H. Hobbs, pastor of First Baptist Church, Oklahoma City, while "Master Control" is an entertaining, informative, inspirational music-interview variety program. "Omniscope," an adaptation of the "Master Control" format for use by college radio stations, is a recent venture aimed at the vast and growing student population.

"The Answer," a half-hour dramatic of documentary color film dealing with spiritual and moral issues, enjoys similar familiarity with domestic television viewers. And "Jot," which stars an animated dot, has evoked overwhelming response among the color cartoon-conscious kiddies of the South and Southwest.

But Southern Baptists' radio and TV ministry to foreign countries is perhaps even more impressive. Nine radio programs now are produced in foreign languages (Spanish, Russian, Chinese, Navajo, Portuguese and Polish), and broadcasts of Commission programs are heard in 40 countries, including the Soviet Union and Red China.

I believe that we need to have called to our attention a fine work in our own state:

Every Sunday morning for the past eight years, the Department of Program Services and the Department of Deaf Work proclaims the Gospel in sign language over a television network of five major TV stations in North Carolina. It is designed to proclaim Jesus Christ as the Son of God and the Bible as God's holy word. Be sure to carry the schedule of your local station for this series in your church bulletin. This is another ministry of the Cooperative Program and State Missions.

In High Point we have the Baptist Hour over WHPE each Sunday afternoon, 1:30-2:00 p.m. Let us urge our people to listen, let us announce it through our church bulletins.

Local pastors have radio programs:

Rev. Jimmy Hinson, "Echoes of Evangelism," over WHPE, 8:00 a.m., Sunday
Dr. E.W. Price, Jr., "Messages of Faith," over WMFR, 8:30 a.m., Sunday
Rev. W.W. Robbins, "Bible Questions & Answers," over WHPE, 12:30-1:00 p.m., Sunday

We might mention the fact, also, that our Baptist pastors appear on the radio devotionals which are weekly, Monday-Friday, over WMFR, 8:35 a.m. and WHPE, 10:00 a.m. Also, some of our Baptist pastors appear on "Television Pulpit" over Channel 8, 8:00 a.m.

It is a satisfaction to all of us to know that by our contributions through the Cooperative Program we are supporting all the work of our denomination, and part of this work - a most vital part - is that of our Radio and Television Commission. Let us continue to pray for this work, that God will use it more and more.

Respectfully submitted,
Woodrow W. Robbins

REPORT OF THE DEPARTMENT OF INTERRACIAL COOPERATION

"Fresh winds are blowing and new excitement is in the air!" These words from W.C. Fields' TRUMPETS IN DIXIE express the outlook of the work of the Department of Interracial Cooperation as 1968 draws to a close. Aiding tremendously in the work with National Baptists throughout North Carolina has been the "Statement Concerning the Crisis in Our Nation," adopted by the Southern Baptist Convention on June 5, 1968. Also, the literature, "We Hold These Truths," has opened many avenues for discussion groups to confront the problems of human relations within their churches and communities.

The department has experienced growth in practically every area during 1968. In January a record number of General Baptists attended the statewide Vacation Bible School Clinic at Wingate College. A series of five conferences on human relations were held in April with a total attendance of 800. They were held at Oakmont, Greenville, Brookwood, Jacksonville, Forest Hills, Raleigh, Madison Avenue, Goldsboro, North Kannapolis, and Kannapolis. Leaders for these conferences were the Reverend Raymond F. Harvey, Tuskegee Institute, Alabama, and Dr. Victor T. Glass of the Home Mission Board.

Thirteen small scholarships were provided this year for ministerial students at Shaw University, North Carolina College, A. & T. University, and Southeastern Seminary. Three new Week Day programs were held during the summer in churches located in Asheville and Brevard. An increasing number of seminars, youth retreats, institutes, discussion groups, etc., are being held in churches and associations with the goal of finding ways to initiate or increase a program of work with National Baptists.

Looking toward 1969, the annual statewide conference on evangelism meeting in Greensboro in January will be jointly sponsored by the two Baptist State Conventions. Also in keeping with the Crusade of the Americas the Baptist Men and Boys annual convention for the first time next year will be jointly sponsored by the Brotherhood Department of the Baptist State Convention and the Layman's League of the General Baptist State Convention. This meeting is scheduled in Winston-Salem, March 28-29.

RESOLUTIONS COMMITTEE REPORT

Your Resolutions Committee brings the following recommendations of expression.

FIRST, our appreciation to the First Baptist Church, High Point and Green Street Baptist Church for their hospitality and adequate provisions for our meetings.

SECOND, that we express our gratitude to Rev. Floyd Rhyne, our Superintendent of Missions, for his dedicated leadership this past year. Also to our Associational Officers, we express our sincere appreciation for their faithful service.

THIRD, that we send letters of appreciation to radio stations WHPE, WMFR, WNOS and to WGHP-TV for giving time to our churches for programs and announcements; and to the High Point Enterprise for their coverage of church news, especially the church page on Saturdays.

FOURTH, that we express our gratitude to our Moderator, Vice-Moderator, Clerk and Program Committee for a program well planned and properly presented with information and inspiration.

FIFTH, whereas, the Central Baptist Association has stood in opposition to ABC stores in years past and whereas, the ABC issue has been again thrust upon us, by our City Council, be it resolved, (1) that the Central Baptist Association in its tenth annual meeting affirm the historic position of being opposed to the sale and use of alcoholic beverages; (2) that we call upon our churches in the city to actively encourage our citizens to vote on November 5 against the establishment of ABC stores in our city; (3) that we further encourage our people to support the Citizens For Christian Action with our prayers and money. Whereas, the Central Baptist Association has stood in opposition to Pornography and Obscenity, be it resolved that we continue to express our opposition to Pornography, Obscenity and every destructive force threatening the moral fibre of our city and society.

SIXTH, we express our appreciation to the Christian Life Committee and the Rev. Clyde Tucker, Chairman, for the unselfish and devoted work given toward the issues related to Christian character facing us today.

SEVENTH, be it further resolved that each person attending the Associational meeting go back to his church with complete consecration to the ministry of our Lord Jesus Christ and so live his life that others will come to know Christ as their Savior.

Jimmy Hinson, Chairman

REPORT OF MISSIONS COMMITTEE

Your Missions Committee has attempted to serve as effectively as possible this year to accomplish as much as we could. Though at best, we seem to have accomplished so little for Christ's Kingdom.

Our first meeting dealt with routine but necessary items. We adopted a working agreement with our Superintendent of Missions that would give him direction for this year in his work. We amended and suggested to the Executive Committee that we give Bro. Rhyne an additional 10 days off to make a trip to the Holy Land. Further business delt with the approval of pastoral aid and purchase of lot aid requests. Oakview Baptist Church applied for $2,500.00 to aid in the purchase of their property on Oakview Road. Trindale Baptist Church made application of $1,280.00 in pastoral aid and College Heights Baptist Church made application for $1,200.00 in pastoral aid. Each of these requests was approved and recommended to the Executive Committee for their consideration. A request in the amount of $1,600.00 was made to the State Convention for Associational aid. We also noted that Hilliard Memorial Baptist Church was now using the furniture owned by the Association for their interim pastor.

In subsequent meeting, we considered a request for state aid in the amount of $2,500.00 from the Garrell Street Baptist Church. This was approved to be recommended to the Executive Committee. We also voted to recommend that $500.00 be taken from our New Church Fund to be given to Garrell Street to assist them in their good beginnings. The needs of our Association for the coming years were discussed and we came with the recommendation to the Executive Committee that the Moderator, Vice-Moderator and Chairman of the Missions Committee appoint a committee of five (5) to study the needs of our Association and that this committee be empowered to call on other individuals and/or groups to assist them. This special study committee has been appointed and is well into their study.

In light of the needs of the future, we discussed and recommended to the Executive Committee that we encourage our churches to observe the "Week of Prayer For Associational Missions"; August 25-31, and that we encourage each church to take a special offering to pay off the indebtedness on our Associational Pastorium. This would allow this much in the future to aid new plans and work in our Association plus save over $2,000.00 in interest. As of the writing of this report, we have received $1,760.96 from fourteen (14) churches. We are thankful to these churches for their support in this special offering: Albertson Road; Allen Jay; Archdale, First; College Heights; Fairmont Park; Friendly; Garrell Street; Hillcrest; Jamestown, First; Lexington Avenue; Oak View; Reavis Memorial; Southside; Trindale and two individuals.

A work of appreciation is in order for those members of the Missions Committee who have worked willingly and interestedly to try to further God's Kingdom work in our Association. As always, we are indebted to Bro. Floyd Rhyne, our Superintendent of Missions, for his advice, prodding and continuous labor. We are grateful for his guidance. Listed below are some statistics that will give you some indication of the tremendous task he has.

EVANGELISM REPORT

Perhaps the worthiest contribution of the concerted effort last spring was a renewal in the Churches. The Crusade bore evidence, in some churches, of genuine spiritual revivals. Where the Church sowed sparingly, it reaped sparingly; where it sowed bountifully, it reaped bountifully. In our own Association there were reports of genuine revivals in some of the churches.

As we face the future in evangelism, in Central Association, we should take note of what happened this year where outstanding revivals were experienced. This will give some guidelines for future plans in evangelism. As observed across the State, some of the characteristics were:

1. In every church where an unusual revival was reported, there had been an unusual prayer concern and prayer participation across several months on the part of some of the church leaders and people. This definitely says something to us for the future.

2. Some of the most powerful revivals in our state started among the young people. Young people are prominent in many places today (mostly in worldly places), and it is encouraging to know that when they offer themselves to God to be used in His purpose, as many are doing, that revivals break forth in the churches. This has taken place in several churches in North Carolina this year. It should be happening everywhere.

In light of what we have seen this year, here are some "MUSTS" for the future:

1. To seek earnestly and be completely assured in our minds and hearts that the only Hope for us and all people is Christ - Christ as He and His Gospel are revealed by the Holy Spirit through the Bible, the inspired and inerrant Word of God.

2. To purpose to engage daily in searching the Scriptures and in praying for spiritual revival in the churches. Some have made a beginning in this vital matter and all other Christians should join them and continue steadfastly therein.

3. To proclaim faithfully "publicly and from house to house" (Acts 20:20) the glorious gospel of Christ and to make this purpose central in all Church plans, programs and activities.

There is a voice that continually cries from pulpit to pulpit "Back to the Bible." This is not the real need. It is apparent that the need is to come up to the Bible. Perhaps the failures of so many efforts should teach us that we cannot go back to something to which we have never come up. Let it, then, be a Christ-centered Evangelism based on the precious Book.

Respectfully submitted,
Tobie P. Stone, Jr., Chairman

REPORT ON BROTHERHOOD

A planning meeting was held at Lexington Avenue Baptist Church. Rev. Bullard and three of his associates were in charge with forty-eight attending.

The R.A. picnic was enjoyed by about fifty boys. A very inspiring message was brought by Mr. Dennis Neill.

A planning meeting was held at First Baptist Church, High Point, with three pastors and eight men attending. The following was presented with no decision being reached.

1. One week men's revival with all laymen visiting and having testimonial services.
2. One week with laymen and pastors conducting services.
3. One week or week-end youth revival bringing in dedicated youth from over the state to visit, witness and hold services.
4. A week-end of simultaneous Laymen Revival Services in as many churches as would participate bringing in as many men as would be needed to give testimonies and visit in homes of lost people with the laymen of our churches.

I want to express my thanks and appreciation to the five churches I have had the privilege of working with.

Respectfully submitted,
David B. Boyles
Brotherhood Director

TRAINING UNION REPORT

For one who has let Training Union play a large part in their Christian training and leadership, it is hard to tell all that Training Union means to them. But how much poorer Christians would be without Training Union training.

We have been recently reminded that the "trend of things" have changed and I trust Training Union wise, this is for the spiritual good of all age groups.

The "M" Night program was held in Green Street Baptist Church. It was well planned and carried out demonstrations of the different youth age groups. The Junior Memory Work emphasis was presented by Mrs. Homer Smith and Harold Odum. The Intermediate Sword Drill emphasis was led by Mrs. Robert Eagle with Miss Elizabeth Eagle demonstrating the drill. Emphasis on Young People's Better Speakers Tournament was given by Miss Ronda Goodwin. This was climaxed with an inspiritional message by Rev. Vance Havner of Greensboro, North Carolina.

On April 18, the Young People held their annual banquet at the First Baptist Church, High Point. Miss Rhonda Goodwin of the First Baptist Church, High Point was given first place recognition in the Young People's Better Speakers Tournament and represented our Association at the Regional Convention. Harvey Yost of First Baptist Church High Point was given first place in the Intermediate Sword Drill and represented our Association at the Regional Convention.

On April 20, the Junior Memory Work Drill was held in the North Main Street Baptist Church with 34 Juniors participating. Of this number, 33 were eligible to participate at the Regional Convention.

Respectfully submitted,
John A. Reavis
Training Union Director

CHRISTIAN LIFE COMMISSION REPORT

The Christian Life Committee is grateful for the cooperation of Pastors and Churches in the defeat last November of the proposal to establish ABC stores in High Point. We note the margin of victory was smaller than in the past and recognize that other challenges will probably come as soon as the required time limit passes. Therefore, we encourage the members of our churches to be alert and respond to every opportunity which will permit a witness against the evils of alcoholic beverages. There is probably no greater enemy to our homes, to the individual and to society as a whole. The cost in lives, broken family ties, depraved individuals who become enslaved and countless other areas demand a constant and persistent response.

During the Christmas and New Year season last year, we again sponsored numerous spot announcements on Radio Stations WMFR, WHPE and WNOS. We also had advertisements in the High Point Enterprise. These were attempts to call attention to the need to make the season Christ-centered. The response was very good.

Another growing menace to our society is obscenity. This is evidenced especially on the news stands and in advertisements of films. Mr. J. Edgar Hoover has frequently related pornography to sex crimes in his FBI Bulletins. Two of his quotations are:

> What we do know is that in an overwhelmingly large number of cases sex crime is associated with pornography. We know that sex criminals read it, and are clearly influenced by it . . .
>
> The increasing number of sex crimes is due percisely to sex literature presented in certain magazines.

BAPTIST HOMES FOR THE AGING

Never before have your Baptist Homes for the Aging been more conscious of the Lord's Presence and of His Goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, when the weather was at its severest on the 3rd Sunday of February, the day of the Special Offering, the churches came through with an offering that promises, at this point, to be the greatest in the Homes' history. The Lord, who is in charge of the weather and in charge of the Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Bapitst people to see the urgency of our needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord and faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the Aging - the Special Offering and the Cooperative Program. Through these two sources, one-third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we are to continue to assist these many needy persons, and if we are to reduce the deficit in the operation of the Homes, brought about by the rising cost of living, we must have more liberal support from our churches.

We do not believe that our Baptist people would want to curtail any of the vital ministries of the Homes and that they will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity, and we now have almost 200 deserving older men and women living in our midst there and in our other four Homes - Resthaven, and Hayes Home in Winston-

Salem, the Albemarle Home in Albemarle and the Hamilton Home in Hamilton. These wonderful people are finding much happiness in Christian companionship with persons of their age group, and great security in knowing that they will be loved and cared for in sickness as well as in health.

It is a deeply rewarding experience to see the light and joy of Christ on an older person's face and to hear words of deep appreciation almost daily for the Christian love and nurture that North Carolina Baptists are making possible through this ministry. We believe, therefore, that our Baptist people will want to have an ever-increasing part in so worthy a labor of love in the Master's Name. We know that the Lord will not fail us, and we also believe that our people will want to be as faithful as possible.

Respectfully submitted,
W. H. Barker

REPORT OF THE BIBLICAL RECORDER

The year 1969 has been one of the most significant in the 136-year history of the BIBLICAL RECORDER. True, we cannot point to any spectacular gains in circulation, but each week the RECORDER is read by almost 300,000 North Carolina Baptists in some 90,000 homes. For almost a century and a half the RECORDER has played a vital role in the life of our convention and state, and it will continue to do so.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark - an historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

The first half of this year, of course, saw much of the news interest focused on the General Assembly. Possibly more than any other assembly to date, this year's session was of vital importance to Baptists and other Christians across our state. Because of this importance, the RECORDER gave special emphasis to reporting moral and social issues being considered by the legislature. Our readers responded in marvelous fashion, making the impact of the church felt throughout the state.

Whenever something significant was happening among North Carolina Baptists, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of the trust North Carolina Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership in our churches. The RECORDER should be in every Baptist home.

We will continue to speak the truth in love.

REPORT OF BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Among church supported agencies, North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. This is an application of the teaching and example of Christ in His earthly ministry. More than 1200 children and their families are served annually.

The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services,

consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional casework centers throughout the State.

More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history. All agency beds are filled and all available money is being utilized. We, too, have been caught in the rising costs of living and in an inflationary economy. A wider variety of quality services are being demanded to meet the needs of children who are the products of today's complex society. Present economic conditions make it necessary to have additional operating income with which to maintain the current program before any further expansion of services can be considered.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first two cottages for children. When the campus has been completed provision will have been made for four cottages for children, a multi-purpose administration and activities building and a home for the superintendent. With the support and cooperation of Baptists and other friends of the Homes another ministry is being developed in Asheville. A home in which to serve unwed mothers and their offspring will be opened during the fall of 1969.

By the use of the designated gifts and bequests from individuals and families, significant progress is being made in the long range plans for upgrading of facilities. Two cottages are now under construction at Mills Home. A recreation building and an infirmary at Kennedy Home and two cottages for children at the Broyhill Home are scheduled for construction during the next year.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

BAPTIST FOUNDATION REPORT

The assets of the North Carolina Baptist Foundation, Inc. have now reached beyond the one million dollar (1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from $350,000 to the present excess of slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is really a SERVICE arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to: (1) God, (2) individual Baptists and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will

Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptists in a most concrete way.

ANNUITY BOARD REPORT

OF THE SOUTHERN BAPTIST CONVENTION

INFLATIONARY TREND CONTINUES

During 1968, neither inflation nor the economy showed any evidence of a slow down. Even as late as the second quarter of 1969, there was no sign of a leveling off by the inflationary trend. The cost of living rose 4.7% pushing the Consumer Price Index to a record 123.7 in December, 1968. This was the greatest increase since 1951.

This inflationary trend continued to affect the buying power of everyone, including the retired.

To meet the needs of retiring ministers, church staff members, and denominational employees, the Annuity Board has developed the Southern Baptist Protection Program to provide an adequate retirement income. As the inflationary trend continues, many churches and agencies are upgrading their retirement programs by contributing 10% of total salary. The Annuity Board and state conventions heartily recommend this action.

Response to the three-plan Protection Program was good during 1968. The Program includes: Plan "A," the basic retirement fund; Plan "B," the supplementary fund; and Plan "C," the variable fund. Response was also good in the Life and Health Benefit Plans.

HIGHLIGHTS OF 1968

1. 3,451 new members in the Southern Baptist Protection Program
2. 23,714 members now participating in Plan "A," 1,538 more than in 1967
3. 18,086 churches providing protection for their pastors
4. 145 agencies providing protection for 9,894 employees
5. $173,863 given in relief grants
6. $6,543,169 paid in total relief and protection benefits
7. 3,106 applications for Health Benefit Plan, 1,677 net gain
8. 790 applications for Life Benefit Plan, 134 net gain

THIRD YEAR FOR "13th CHECK"

For the third consecutive year, the Annuity Board issued a "13th check" to all recipients of life retirement benefits. The extra check, amounting to 12% of each person's annual benefit, was made possible by interest earnings in excess of the amount necessary to pay the retirement benefits. The excess earnings are distributed to plans of active members as well as to retired persons.

Information about the Protection Program and the Life and Health Benefit Plans can be obtained from your state Baptist building or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

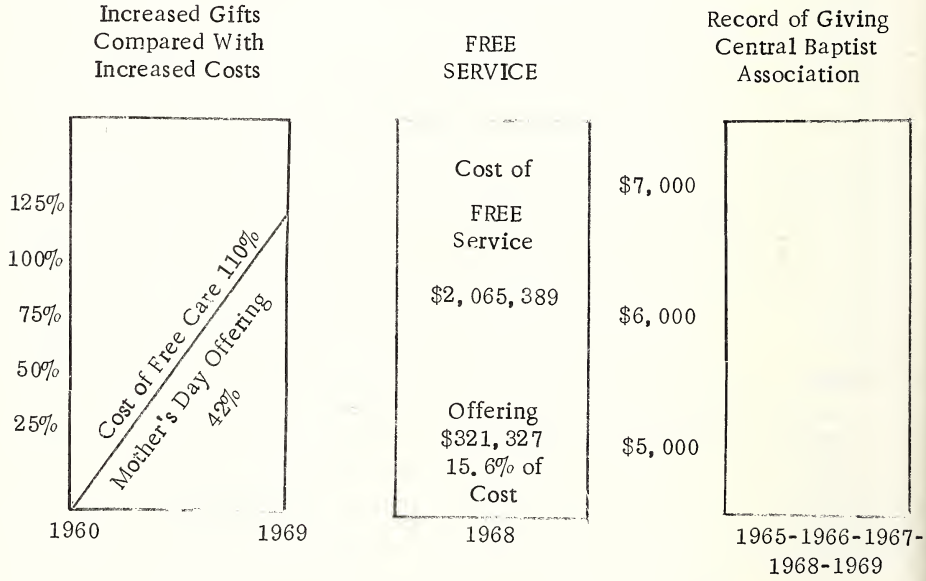
BAPTIST HOSPITAL REPORT

MOTHER'S DAY OFFERING



While the cost of free service has been steadily rising, the above charts show that the giving to the Mother's Day Offering in Central Baptist Association has been steadily decreasing - from $6,695.37 in 1965 to $5,553.28 in 1968.* But praise the Lord, some of the associations of the state are increasing their gifts as much as 10%. The total figues, so far this year, 1969, are running slightly higher than last year according to Dr. W. K. McGee.

Baptists are peculiar people, are they not? For example, the hospital has been giving $10.00 in free service to every Mother's Day dollar that you and I have given. But, after running a deficit for three years (amounting to $400,000.00 in 1966), the hospital has had to announce a new policy of admission - patients only on a cash basis, and the limitation of free service to the neediest patients and to the amount we send them. Then when someone in our churches doesn't get free care when they enter the hospital, we are immediately ready to criticize the hospital for not making their dollars go farther, or we act as though we would like to see the hospital go bankrupt. We forget that they can only do so much with what we send to them. Let us ask our people to be more understanding and to increase their gifts each year to help the needy sick in Christ's Name.

Our Baptist Hospital continues to provide services and skills not available in the local hospitals and to minister in the name of Christ to the whole man - physically, mentally and spiritually. In October, 1971, a new patient tower (17 stories high) is scheduled to be completed which will double the capacity for clinics and increase the bed capacity to 737. We rejoice in the prospects of this enlarged ministry. Let us not forget to pray for the Baptist Hospital, and above all, LET'S BEGIN TO GIVE MORE GENEROUSLY. This is North Carolina Baptist in MISSION ACTION for Christ!

*Gifts through September, 1969 - $5,099.22.

JUVENILE REHABILITATION REPORT

"Brethren, if a man (child) be overtaken in a fault, ye which are spiritual, restore such an one in the spirit of meekness; considering thyself, lest thou also be tempted." Gal. 6:1

"The mushrooming problem of juvenile delinquency has been described as society's time bomb." It is one of America's foremost moral and social problems. It strikes in homes of all walks of life, income and areas. All children, whether they be in your home or your block or in your community are potential deliquents. "For all children have problems that may become too difficult for them to solve."

The community or church which does not recognize this serious problem will soon be awakened when "society's time bomb" explodes in their midst. One has only to read the daily news to be aware that we are caught up in the vortex of lawlessness, rebellion and moral decline. Children under the age of sixteen years contribute a significant percentage of today's crime. In fact juvenile crime has increased each year since 1948 with the exception of 1961. Today, approximately two percent of ALL children aged ten through seventeen are referred to juvenile courts. Traffic cases raise this figure to 5.3%. It is now estimated that one in every nine children will be referred to the juvenile court. One in every six of these will be boys and one in every twenty-three will be girls. The number of juvenile delinquents may be expected to increase.

In 1968 more than five hundred delinquent children came before the High Point juvenile court. This represents more than 40% of the total juvenile deliquents in Guilford County. Another fifteen hundred children were involved with the court because of neglect, abandonment or custody.

In July of this year your Association took a significant step forward to provide a minister in this needy area. The Baptist State Convention of North Carolina and the Home Mission Board of the Southern Baptist Convention joined hands with the Central Association to initiate a Juvenile Ministry. A director was elected and a program was

outlined. The work is now well under way. At the present we have several children under sponsorship. Some of our sponsors are thrilled at the progress already made with the boys and girls. Response for sponsors thus far has been significant enough that a Sponsor Training Clinic is scheduled for November 18 at the English Street Baptist Church.

As time goes on the demands for more dedicated men and women to serve as sponsors will become evident. We feel confident that the Baptist of the Central Association will continue to say, "we care." As your director, let me encourage every pastor, W.M.U. Director and Brotherhood Director to help keep this ministry of love before your church by electing a Juvenile Rehabilitation Committee in your church. Give us names of men and women who can be counted on to undertake a challenging work for God.

If arrangements can be made for me to speak to your church about this ministry, I will be happy to come. In the meanwhile a very good filmstrip is available from your director on this subject. Please feel free to use it.

Keep us before the throne in prayer that God may grant wisdom and compassion to win these youth for Christ.

Respectfully submitted,
Paul S. Odum, Director

SUNDAY SCHOOL REPORT

In 1968-1969 the Sunday School of our association showed a decrease of 1459 in enrollment with an average attendance of 6166.

The position of superintendent of Associational Sunday School work was not filled for several weeks of the associational year.

A well attended Associational Vacation Bible School Clinic was held at the English Street Baptist Church during April. The participation was good. The total enrollment for the Vacation Bible Schools in our association this year was____with an average attendance of _____ .

The major emphasis of Sunday School work during this associational year has been preparation for the decade of the seventies. Leaders of our Sunday Schools have attended some of these state and convention sponsored orientations. Sunday Schools in our association have been preparing for changes in grading and literature that will come about in this new year.

As we face the challenge of a new year and the election of a new associational Sunday School superintendent, we need to find a new enthusiasm to put heart and mind to work to motivate our people for involvement in Sunday School work. Plans are now being made for a Training School to be held in the spring to acquaint our people with the challenges and changes coming in the Seventies.

Respectfully submitted,
E. Leon Smith, Superintendent

WOMAN'S MISSIONARY UNION REPORT

The year 1968-1969 has launched Woman's Missionary Union on a new course. Our new emphasis has been not so much on numbers of people doing things but has focused on the amount of work being done. We have felt that the Simplicity and Flexibility of the new WMU plan has given us a greater vision of missions; not in study only but in studying and doing.

	Mrs. Arnold Jester
GA Directors -	Mrs. Sammy Young
	Mrs. Bobby Peek
Sunbeam Director -	Mrs. Carl Skinner

Although some of these officers are new for 1969-70, they have been at work since July attending the Quarterly Associational Council meetings, getting acquainted with their responsibility and making WMU plans for the new year. Each Associational Officer holds WMU Leadership card plus the Leadership card for the organization for which she is responsible.

In August four of the Associational Officers, Mrs. Hoyt Rutledge, Mrs. Neal Lancaster, Mrs. Sammy Young and Mrs. Bobby Peek, attended Ridgecrest Baptist Assembly.

Also, in August, Mrs. Neal Lancaster and Mrs. Carl Skinner attended the state workshop for Associational Officers in Hickory.

CHALLENGE FOR THE NEW YEAR 1969-70:

The new WMU year, 1969-70, will bring us face to face with new challenges in

Mission Action. Our Watchword, "Our love should not be just words and talk; it must be true love, which shows itself in action." (I John 3:18 TEV), and our Hymn, "Seal us, O Holy Spirit," present the challenge to serve through love for God and man wherever needs can be met. Our purpose this year is to continue in the work begun strengthening our organizations to be useful and meaningful women in the world and to look forward to more changes and better methods in the 70's.

Respectfully submitted,
Mrs. Hoyt Rutledge, WMU Director

WE HONOR A DEDICATED CHRISTIAN WORKER

John A. Reavis has been called "Mr. Training Union" because of his devotion and work as Associational Training Union Director. Mr. Reavis was first elected in 1934 as Associational Director in the Piedmont Association with the responsibility of guiding the churches in the High Point area. He was elected as Director when the Central Baptist Association was organized in 1959. He has served as Director or Assistant Director since 1934 except for approximately two years when he was out of the state.

JUVENILE REHABILITATION REPORT

The Juvenile Program of our Association is having its fifth birthday this month. During the first years, the work was handled by the Superintendent of Missions. For the past 14 months I have been part-time director. Some may not even know it exists. Other may be wondering if it is still alive. My answer is that it does and it is! During these months we have witnessed some very gratifying victories and some very painful failures. However, we thank God for every life we have been able to touch and every opportunity to minister in His name.

The Juvenile Rehabilitation Program of the Central Baptist Association is your local association involved in missions. We are indebted to you for your support. We

are also greatly indebted to the many men and women who have given unselfishly of themsleves to serve as sponsors. Without them no life would have been touched.

During the past months your Director has traveled more than 1,200 miles, held 46 personal conferences, attended 48 sessions of court, provided clothing for needy youth, held one training clinic for sponsors, held one week-end camp for boys with 20 attending, assigned 27 boys and girls to sponsors and had 5 professions of faith. Presently I am working with the committee who is sponsoring the Billy Graham film "For Pete's Sake." We hope to get a good number of free tickets to give to troubled boys and girls.

In this closing paragraph, let me appeal to the pastors, W.M.U. Directors and Brotherhood Directors to use the film strip on Juvenile Delinquency available upon request and to allow me to come and speak to your missionary organizations about our work. Please remember I am a pastor also, and can only be away from my own church a limited number of Wednesday nights. Finally, would you put action to your concern and either give us names of prospective sponsors or consider serving as one yourself. Will you help?

Respectfully submitted,
Paul Odum, Director

CHRISTIAN LIFE COMMITTEE REPORT

Your Christian Life Committee has been sensitive to the problems touching social service and civic righteousness.

During the Christmas and New Year season last year we again sponsored 152 spot announcements on Radio Stations WMFR, WHPE, and WNOS and ads in the newspaper at a cost of $304.20. These messages encouraged the listeners to keep Christ central in their lives and warned of the evils of alcoholic beverages.

Alcoholic beverages continues to be a menace to our society. We encourage our churches to keep a constant vigil and present warnings to our people in an effort to curb the mounting destruction in every facet of our society caused by alcoholic beverage.

Our present concern centers on obscenity and pornography. A Presidential Commission on Obscenity and Pornography was appointed by President Johnson in 1967. After spending more than two years and almost two million dollars of the tax payers money, the commission now brings some alarming recommendations. Congress found that "the traffic in obscenity and pornography is a matter of national concern." The Commission recommends repeal of many present laws restricting pornography. Many feel this is contrary to the Commission's task and if accepted will be detrimental to society.

Mr. Charles H. Keating, Jr., the only member of the Commission appointed by President Nixon, has submitted a minority report. In it he uses two quotations that are significant. The quotation is:

> In 1874 Justice Swayne, speaking for a unanimous United States Supreme Court in TRIST V. CHILD 21 Wallace 441, 450 (1874) had the following to say about the nature of the underpinnings of this Nation: The foundation of a republic is the virtue of its citizens. They are at once sovereigns and subjects. As the foundation is undermined, the structure is weakened. When it is destroyed the fabric must fall. Such is the voice of history...

Then Mr. Keating closed his report with these words of Alexes de Toqueville (during his American visit, 1835-1840):

I sought for the greatness and genius of America in her commodius harbors and ample rivers - and it was not there; in her fertile lands and boundless prairies - and it was not there. Not until I went to the churches of America and heard her pulpits aflame with righteousness did I understand the secret of her genius and power. America is great because she is good - and if America ceases to be good, America will cease to be great.

These words seem very appropriate. Your committee feels that as Christians, we should be aware of the evils dangerous to the moral fibre of our society, especially those that couch the life and work of our churches. We must be found faithful in an agressive witness against evil and an effective work for higher moral standards.

Respectfully submitted,
Clyde H. Tucker, Chairman

SUNDAY SCHOOL REPORT

Jesus said to his disciples, "As you go, preach saying the kingdom of God is at hand." My word to every church and Sunday School is like those spoken by Jesus long ago - as you go, preach and teach saying the Kingdom of God is at hand that men may repent and turn to Jesus Christ as Lord of their lives.

My desire is that everything we do in our Sunday Schools would be so programmed to present the truth of the Word of God that it would change lives. This is our purpose in the Associational Sunday School program. We want to encourage churches and Sunday Schools from time to time with our associational projects to do a more effective job of teaching the Biblical revelation and reaching people for Christ and church membership. That is what we have tried to do in the past and shall continue to do.

Our Sunday School has a tremendous opportunity this year to advace. The new curriculum materials and methods should be protein for growth. Many Sunday Schools have worked unceasingly to get ready for all of the changes. We have made many attempts to help every church get ready for a great year. I have attended: State Vacation Bible School Clinic, State Shaping The 70's Clinics, State Briefing Meetings, and Ridgecrest in order to help our Association in its Sunday School work.

A list of our activities last year is as follows:

January 5,6, and 7 - A team attended a State Vacation Bible School Clinic at Wingate College. The team members were Clyde Hall, Grace Rhyne, Alma Bumgarner, Wayne Norton and Joanne Norton.

January 29 - A Vacation Bible School Curriculum preview was given at English Road Church for Pastors and Superintendents by the V.B.S. team.

February 24 - Shaping the 70's Conference at Green Street Church.

March 9 - Shaping the 70's Conference at Albertson Road Church.

March 23 - Shaping the 70's Conference at Jamestown, First Church.

These three Shaping the 70's Conferences were held for the Directors of all our Sunday Schools and were conducted by the Associational Sunday School Director.

April 6,7, and 9 - A Central Training School was conducted at North Main Street Church for age group workers. This was a joint effort with the Associational Church Training Program. The leaders for this school were: Floyd Rhyne, Mel Anderson, Jim Temples, Tom Corns and Mrs. W.W. Wagoner.

April 13 - A Vacation Bible School Clinic at Brentwood Baptist Church. A morning session conducted by the V.B.S. team. Eight churches were represented with 39 attending.

April 28 - Vacation Bible School Clinic at First Church, High Point. A night session conducted by the V.B.S. team. Nineteen churches were represented with 76 attending.

July 17-19 - An Associational camp-out was held at Camp CaRAway. This activity was designed to produce a greater working relationship among our churches.

September 1 - A Sunday School Security Night was held at North Main Street Church for all Sunday School workers in our Association. We had three groups which were led by Floyd Rhyne, Harry Clark, and Wayne Norton to help churches administer the 70/70 Launch Program. Harry Clark from the State Sunday School Board brought the inspirational message. Nineteen churches were represented with 89 attending.

The results of all these meetings and activities should help us to have a better year ahead. Our record shows that 28 churches had a Vacation Bible School last year with a total enrollment of 3664. Our Associational Sunday School enrollment for 1969-70 was 10,846 with an average attendance of 5,825.

Officers for 1970-71 are:

Sunday School Director - Wayne Norton
Adult Director -
Youth Director -
Children's Director - Miss Alma Bumgarner
Pre-school Director -

As we are busily engaged in our Sunday School next year, may we be able to say as Paul did. "...holding fast the faithful word as we have been taught, that we may be able by sound doctrine both to exhort and to convience others...."

Respectfully submitted,
Wayne Norton
Sunday School Director

TRAINING UNION REPORT

The Executive Committee met different times to discuss and plan the work of the Training Union. All the Associational officers stood by at all times to help any church at any time that they were called on. Sometimes it seemed that we did not accomplish very much in the name of "Associational Activities", but I am sure much has been done in the individual churches of our Association.

The Training Union Department did help plan and promote the combined Sunday School and Training Union Leadership Training Course held in the North Main Church in April.

In our Tournament work we had only Juniors to participate this year. We have always been able to depend on our Juniors to come through and this they did again this year with 25 participating and many going on to be state winners. Four were FOUR YEAR STATE WINNERS. These were: Joyce Odum, Joyce Tucker, Cecilia Sheffield and Paul Williams of the First Church, High Point. This Tournament was held at the Hillcrest Church.

The "M" Night meeting was held at First Church, High Point with above 450 in attendance, with 22 churches, 18 pastors and 19 directors participating. Oakview Church received both the efficiency and attendance banners. Mrs. Homer Smith, Junior Leader, led Mike, Chip, and Garry Culler in giving emphasis on Junior Memory Work. Rev. W.T. Hendrix brought a message on "The Urgency of the Work."

Having heard much this year about the "NEW" in the seventies, this will be our last "Training Union" report. Hereafter, it will be know as "The Church Training

Program." We must keep abreast of the times in our demoninational work so I urge each of you to study and work that you may live an influential Christian life in today's changing world.

Thank you for your prayers and your cooperation through the years that I have endeavored to be your director.

Respectfully submitted,
John A. Reavis, Director

WOMAN'S MISSIONARY UNION REPORT

The W.M.U. Director's main work this year hassbeen continuing the interpretation of the new plan for WMU 1970.

As a part of the Associational Team, the WMU Director attended a Shaping of the 70's Conference at Greensboro in January. From here the plans were made for the Three Associational Area Interpretations Clinics held on February 24 at Green Street Church, March 9 at Albertson Road Church and March 23 at Jamestown, First Church.

BROTHERHOOD REPORT

In February and March three Shaping the 70's Clinics were conducted, nineteen men, representing twelve churches of our Association attended the Brotherhood Conferences.

A brotherhood Leadership Workshop was held at Camp CaRAway on September 11 and 12. The workshop was led by our State Brotherhood Department staff members. Training was provided for Baptist Men officers and Royal Ambassador counselors and committeemen.

A Regional Royal Ambassador Leadership Training Conference was held at the First Baptist Church in Lexington on Saturday, October 10, 1970.

One of our greatest needs for the new year is for pastors and laymen to visualize Brotherhood as a vital part of the complete Church program.

The objective of the Brotherhood program in our Baptist churches should be to support the church in its task of bringing men, young men, and boys to God through Christ by leading them to a deeper commitment to missions, to a more meaningful prayer life for missions, to a larger stewardship on behalf of missions, and to a personal involvement in missions.

DATES FOR 1971 ARE:

March 26-27 - Baptist Men's Convention and R.A. Congress, Winston-Salem
April 16-17 - R.A. Retreat, CaRAway
May 7-9 - R.A. Retreat, CaRAway
September 10-11 - Leadership Training Retreat, CaRAway
October 1-2 - Father-Son Camp - CaRAway
October 16 - R.A. Leadership, Asheboro

EVANGELISM REPORT

In associational evangelism clinics a strong emphasis was placed upon: Shaping the 70's through Evangelism, Strength for Living Revivals, and Youth Evangelism. Some churches across the State experienced outstanding revivals as a result of dependance upon the Holy Spirit, geniune prayer, careful planning and involvement of adults and youth in witnessing.

All Christians need to accept the challenge of Acts 2:32 - "This Jesus hath God raised up, whereof we all are witnesses." In his book, "Exploring Evangelism", Mendell Taylor reminds us of this tremendous truth: "When Christians fail to evangelize, the very existence of the church is threatened. Evangelism is indispensable in the life of the church." All Christians can reveal to the world greater concern for evangelism and total Christianity.

New materials on lay witnessing written by Dr. Kenneth L. Chafin and other SBC leaders will be available by May 1, 1971, in the Baptist Book Stores. Training clinics on the use of these materials for pastors and laymen will be held in all associations during 1971.

An Evangelism Research Seminar has been planned at Southeastern Seminary, Wake Forest for October 5-6, 1970. This seminar will include an in depth study of five papers related to evangelism.

The 25th Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on February 1-2, 1971. The closing session will be a Youth Evangelism Night in Greensboro Coliseum which seats 16,000 with Dr. Leighton Ford of the Billy Graham Association as the featured speaker. Pray for this special session that many youth will make genuine decisions for Christ.

FOUNDATION REPORT

The fact that The North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from $350,000 to more than one million dollars. This includes trust funds and real estate.

THE FOUNDATION advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Co-operative Program, Missions, Higher Education, the Baptist Hospital and Baptist Homes for the Aging.

SPECIAL EMPHASIS ON TRUSTS AND WILLS

THE FOUNDATION has again this year put a major interest on the making of wills.

Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

THE FOUNDATION also has an opportunity to counsel with many people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

THE BAPTIST FOUNDATION has had a most successful year, is on the move, and is rendering service to individual Baptist in a concrete way.

Respectfully submitted,
Gordon Maddrey

REPORT OF BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-five years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consulation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional casework centers throughout the state.

We want you to become thoroughly acquainted with the Baptist Children's Homes of North Carolina. The more you know about the agency, the more you will appreciate its daily work and ministry. You would be thrilled to see the progress our boys and girls make as they emerge out of difficult and unfortunate circumstances over which they have no control. Through this ministry you can find personal joy and excitement in helping people.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first two buildings. Two cottages for children are now under construction and are scheduled to be ready for use next spring. When the campus has been completed provision will have been made for four cottages for children, an administration building and a home for the superintendent.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy of the blessings of our Lord. We convenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Saviour and Lord.

Respectfully submitted,
Mrs. C.G. LaMar,
Children's Home Representative

BAPTIST HOSPITAL REPORT

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, The School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved equipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of strokes and brain tumors. New equipment for the Intensive Care unit includes an instrument which is attached to the patient and measures his heart action and blood pressure; if either varies from a safe range the machine signals the attendant immediately.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces. When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all sponsoring agencies paid. North Carolina Baptists provided $565,000 of this amount - $237,000 through the Cooperative Program and $328,000 through the Mother's Day Offering. To date this year 25 churches in our association contributed $5,993.54 of the Mother's Day Fund, thus helping the hospital keep faith with its purpose.

Though our Mother's Day Offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God has blessed our Homes for the Aging through all of our nineteen years, and during the past year in a very speical way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes - Resthaven, the Hayes Home, and Nursing Care Unit, in Winston-Salem; the Albermarle Home, in Albermarle; the Hamilton Home, in Hamilton; and the Yanceyville Home, in Yanceyville.

An urgent appeal was made to our Baptist people before our offering in February to help us reduce the alarming deficit in the operation of the Homes. This plea was heard, and the offering, of $168,349.34, from July 1, 1969 through June 30, 1970 from our Baptist Churches, has exceeded all other offerings in previous years. How grateful we are for this increase. We want to urge our people, however, to continue giving liberally to our Homes and to remember that we are still confronted with the staggering cost of living and the great need to strengthen the total economy of the Homes as we try to

move forward in developing and expanding this vital ministry to the aging. For example, even though our offering reflects an increase over the previous year, this increase will only take care of approximately half of the additional amount necessary in operating the Homes for the coming year, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North Carolina, have offered a gift of $80,000.00 to the Homes for this purpose, contingent upon the Homes raising an additonal $80,000.00 by September 1, 1970. If this proposal is fulfilled, 10 to 12 additional rooms would be made availabe, with accommodations for 20 to 24 people, and bringing our total nursing care capacity to 80 beds. We appeal to Baptist people to pray for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank the Lord, and our Baptist people, for this ministry. We shall continue to look to Him, and to our people, on behalf of these to whom Christian love means so much, in the faith that our needs will be supplied.

Respectfully submitted,
W.H. Barker
Homes for the Aging Representative

REPORT OF THE BIBLICAL RECORDER

More than ever before, North Carolina Baptists need a dependable source of information. It is difficult these days to get an honest and accurate report on important issues.

In some cases, half truths and rumors are circulated, some of them disigned to embarrass and ridicule Baptists. Since it takes so long for truth to catch up with error, some of these impressions in people's minds are never corrected. This makes progress and unity more difficult.

For 137 years, North Carolina Baptists have had the BIBLICAL RECORDER as a dependable source of information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love.

In the past year, the RECORDER was pleased to have had a part in the election of Dr. Carl Bates of Charlotte as president of the Southern Baptist Convention. A RECORDER editorial endorsing him was considered a factor in his election on the first ballot at Denver. It is an honor to have the convention president from our state. This is just one example of the influence the RECORDER has in the past year.

Looking to the future, the RECORDER promises to continue its fight against liquor by the drink, even in the face of strong opposition from those who are pushing for a greater flow of liquor in our state. If your church is not sending the RECORDER to every home, try doing this for the coming year so your members can receive the full story on the 1971 General Assembly.

Your church would not think of trying to carry out its mission without literature devoted to the Sunday School, Church Training, WMU, Brotherhood and all other church organizations. The RECORDER is just as important and should be in the budget just as this literature is. The cost is only 4¢ a week, a penny less than a post card. Your church is the loser by not taking this step. Won't you do it this coming year?

Respectfully submitted,
J. Marse Grant, Editor

ANNUITY BOARD REPORT

GOOD EXPERIENCE CREDIT BOOSTS BENEFITS

"Good experience credit" is a new term in Protection Program vocabulary. "Good experience credit" means larger benefits for active and retired members as of January 1, 1970. Briefly, here is how it works.

For the active member and his family the stipulated amounts of eligible benefits in Plans A10 and A11 (formerly Southern Baptist Protection Plan) now are the minimum. The "good experience credit" will be extra - over and above the minimum. For 1970 the "good experience credit" will be about 2% of the retirement credits accrued as of that date. The amounts credited in the future may vary, depending on interest earned.

Most retired members are finding the "good experience credit" in their 1970 monthly checks which are 4% larger. In addition, these members received the "13th Check" in February. The "good experience credit" and the "13th Check" are realities because interest earnings were in excess of what was required actuarially by the plans.

"13th CHECK" LARGEST TO DATE

For the fourth consecutive year the Annuity Board mailed a "13th Check" to all recipients of life retirement benefits. The extra check, amounting to 13% of the annual benefit, was the largest to date.

HISTORY OF BENEFITS PAID

Since 1918 the Annuity Board has paid $73,717,267 in benefits to Southern Baptist ministers, agency and church employees, widows and children through the programs administered.

HIGHLIGHTS OF 1969

If the "good experience credit" had been the only accomplishment, 1969 would have to rank as one of the most successful years in Board history, but there were other impressive accomplishments. Here are highlights of the Annuity Board services for 1969.

ANNUITY BOARD PROGRAMS

A minister, church or denominational employee can create a protection program with the Annuity Board that will cover all his needs. Many churches are helping by paying dues in the retirement, health, and life insurance plans. Information on any part of the Annuity Board's Programs may be obtained from the state convention office or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

The Central Association and 22 churches are participating in the Protection Program as of June 15, 1970, making a total of 29 persons covered.

Guy S. Cain

DEPARTMENT OF INTERRACIAL COOPERATION REPORT

North Carolina Baptists have a wide variety of attitudes toward an all inclusive ministry. They range from churches who seek enthusiastically to evangelize and witness to people of all races and cultures, to congregations who refuse to allow their pastors to make mention of the need for better race relations in the community.

The Department of Interracial Cooperation has the primary purpose of promoting more cooperation between the two Baptist State Conventions in North Carolina. The objective is to aid Southern Baptists and National Baptists in North Carolina in their efforts to reach all people with the good news of the gospel. An increase of the spread of the gospel in all parts of the world depends on loving cooperation across racial lines at home.

A record number of 63 representatives from the General Baptist State Convention attended the annual statewide Vacation Bible School clinic at Wingate College in January. These represented 17 of their 57 associations. A future goal is to invite representatives from all associations.

A new seminary extension class enrolling 35 ministers was held in Rocky Mount in March and April, 1970. Classes held at Shaw University enrolled 180 ministers. Additional classes are being planned for various areas throughout the state.

Conferences on human relations were held in April at the Blackwell Memorial Baptist Church, Elizabeth City, First Baptist, New Bern, and the Wilkesboro Baptist Church, Wilkesboro. The Reverend John Fleming, professor of Shaw University, Raleigh, and Dr. Henry Turlington, pastor of the University Baptist Church, Chapel Hill, assisted with these conferences. In May the department participated in a successful two day interracial conference planned and executed by leaders in the New South River Association and the Union Association. All associations have been encouraged to conduct similar type meetings, utilizing the Department of Interracial Cooperation for resource materials, assistance with program personalities and other services.

Also in May, a survey was made to determine what associations and churches within the Baptist State Convention were doing toward promoting a program of work with General Baptist churches. The responses were collected, summarized and copies were sent to all associational missionaries.

Scholarship aid was provided for 23 students at Shaw University, Fruitland Bible Institute, Hood Theological Seminary, Southeastern Seminary, Saint Augustine's College, and North Carolina Central University. This number of scholarships could not have been made available without the assistance of the Howard Memorial Education Fund, Inc., Buies Creek, N.C.

During 1970 the department appointed 28 young people and adults who served as

summer missionaries in a variety of positions. Four of those were sponsored by the Home Mission Board. These workers helped to conduct 55 Vacation Bible Schools throughout the state. The enrollment reached 4,817 with 100 professions of faith. In addition to this the summer workers served with Bible camps and youth groups in Asheville, Brevard, Durham, and Winston-Salem, and a week day ministry known as "Camp Amigo" in Charlotte. Total enrollment for these latter ministries reached over 400.

SUPERINTENDENT OF MISSIONS REPORT

There is a line of a song that goes like this, "I know not what the future holds, but I know who holds the future. It's a secret known only to him." These lines pretty well state my feeling in this confused world.

Some of our churches are torn because of race, others it seems are more concerned with affluence and politics. It is my personal conviction that we all need to LIVE the words of Paul, "This one thing I do...." You will notice I said LIVE not "say." We have been saying for a long time - what have we really done?

As I think of the past year, there are some things that didn't get done. There wasn't enough help, time nor money. It has been a good year. I was able (your arm of Missions through me) to preach two revivals and 21 people accepted Christ as Lord and Savior. Forty-eight other people were saved, 28 of these were our Black friends.

For the first time this year, our Association assisted in a Negro Vacation Bible School and one Mission Vacation Bible School. Through your mission effort 108 people (mostly familes) were assisted or referred to other agencies, 620 New Testaments were given and 270 of the Gospel of John.

As we think of the program organization of the Church, many good things happened. You may read about these from the different department reports. Fourteen months ago part of my work was assigned to a part-time juvenile worker. This year a great impact was made in this area. Read Mr. Odum's report on Page 5.

The statistical report this year will be weaker because of my being out of the office for six weeks. I know statistics do not mean a lot. Most people, however, expect one - so yere goes:

LONG RANGE PLANNING COMMITTEE REPORT

The Long Range Planning Committee was charged with making an indepth study of existing needs within the Central Baptist Association and to suggest ways to meet said needs. The time projection is five years - from 1970 to 1975.

After numerous meetings and much discussion, the Committee presents the following items for consideration:

1. There is need for a centrally located facility and an expanded staff supported by all churches of the association and serving the member churches and people through planned ministries.

2. Long range planning should involve some laison and planning on the Triad and/or Regional level.

3. Consideration should be given to securing financial aid from the State and Home Mission Boards. The member churches should be aroused to support much needed ministries within the association.

4. Young people and women should be included on planning groups for implementation of these goals.

5. Greater empathy is needed between pastors (and other paid church staff) and laymen. Likewise, pastor's wives and women of the Church. There needs to be a "coming together" for acquaintance.

6. The Central Association should serve as a resource and material center for member Churches in making available such items as films, film strips, slides, projectors, screens, library and other specialized material and equipment.

7. It is recommended that seminars and institutes be held for pastors and certain other church staff and laymen on the critical and complex problems presem in the Central Association area. Some are: alcoholism, illegal drug use, mental illness, prison ministry, epidemic sexual promiscurity and unmarried parenthood, the "hippie" culture, among others.

8. The Association should sponsor a Community Agency Day to acquaint our membership with Central area resources and hence enable us to better minister to our people.

9. Where gaps in services occur, the Association should take steps to provide such services alone or in cooperation with other denominations and/or agencies. LEGAL AID and hospital chaplency are cases in point.

10. Improve counseling services within the association as well as the church, providing regular channels by which churches can secure professional help for special cases. A "neutral" office location has been suggested, such as one of the several shopping centers.

11. There is need for specially tailored service ministry to groups with special needs and problems: retarded, handicapped, war cripples, neglected and/or problem children, returnees from mental institutions, alcoholics, prisoners, ex-prisoners and/or parolees, one parent families, language groups, the deaf and mute, service men's families, etc.

12. Become acquainted with and use community resources to augment and compliment the ministry of Christ through the church.

13. Emphasize the development of ways within the churches to extend meaningful fellowship to people undergoing stress in family life: shut-ins, chornically ill and/or handicapped, retired persons, bereaved, the widowed, the abandoned, etc.

14. The Central Association needs to relate to the community and our churches need to become an integral part of it. Each church in our membership needs to become involved in the total life of the community, seeking ways to implement the imperatives of the gospel in every area of community life (one of our fine pastors is Chaplain of the High Point Fire Department. This same pastor teaches Sunday School at certain fire stations throughout the City on Sunday mornings, plus leading a weekly Bible study for a group of men in one of the local furniture plants. Others of you have "unheralded" ministries going on to the glory of God.)

15. When and where honorable to God cooperate with other denominations and churches in ministering to the total person and the entire community. For example: moral, social, and ethical issues such as Sunday blue laws, ABC stores in High Point, liquor by the drink, pornography (movies and literature and communication media), separation of church and state, etc., etc. Duly constituted institutions and organizations: law and order with justice, quality schools, city and county governments, among others.

16. The committee strongly recommends that the Central Association and member churches utilize the tremendous human resources available within the membership of the Association. For example: school teachers, nurses, lawyers, judges, physicians, psychiatrists, executives, insurance specialists, bankers, probation officials, law enforcement officials, firemen, psychologists, social workers, linguists, skilled craftsmen, musicians, recreation leaders, restauranteurs, personnel counsellors, architects, estate management specialists, auditors, bookkeepers, tax specialists, etc., etc.

17. The committee suggests the "pairing" or "grouping" of churches in certain endeavors as an enriching experience and conservation of time and facilities and resources. Examples: Revivals, Vacation Bible Schools, "song fests," fellowship meetings, brotherhood, WMU, study courses, special training course, adult education, consumer education, homemaker "courses," recreation with Christian emphasis. (Listen to what SBI Chief Charles Dunn had to say about the churches in speaking to the area school teachers on October 7, 1970 regarding drug abuse, "They've got to get out to where the problems are - they lock up their fine facilities for all but about six hours a week - they have huge paved parking lots, but without a basketball court - .")

18. Be alert and innovative regarding the many technological marvels and their possible use in the Master's work. Example: the computer, radio, T.V. (including closed circuit), printed page, camera, tape recorder, hearing devices (for elderly and hard of hearing), etc.

To accomplish the above requires full and complete commitment, spiritual and financial, on the part of every pastor, church staff member and church member in the Central Baptist Association. This Association will be only as effective for God as you, brother pastors and brother laymen make it.

Believing that we can count on you to implement the above suggestions and recommendations we respectfully submit this report.

Lester F. Hamilton, Chairman

AUDITING COMMITTEE REPORT

The books of the Central Baptist Association have been audited for the year 1969-1970, and found to be in balance.

A special word of commendation should be given to the treasurer and bookkeeper for the fine way the books are being kept.

Respectfully submitted,
Gerald Winfrey, Chairman

MISSIONS COMMITTEE REPORT

The Missions Committee met throughout the year whenever a need arose which needed our attention. The members were faithful in their attendance and cooperative in spirit as we attempted to serve Central Baptist Association.

The Committee approved a request from Trindale Baptist Church for assistance in pastoral aid from our State Convention in the amount of $1,000.00. Approval was also given to a $1,200.00 request from the College Heights Baptist Church for the same purpose. The Committee also made a request for $1,600.00 from the State Convention to augment our Associational finances.

At our November 16, 1969, meeting the Committee discussed at length the advisability of a new arrangement concerning housing for our Superintendent of Missions. The matter was tabled until our next meeting.

At our next meeting the Committee was informed that Central Association would receive $1,440.00 from our State Convention. A committee was appointed for the purpose of investigating feasible property for an Associational Missions Center.

A motion was made at our February 16, 1970, meeting that the Missions Committee present a motion to the Executive Committee that they go on record endorsing a motion that the Missions Committee will present to the Association at the Annual Associational Meeting, that the Association present the Association's house to Floyd Rhyne and his wife, Grace Rhyne, in recognition for their faithful service to Central Baptist Association.

We wish to express our appreciation to the people of Central Baptist Association for their support during the past year and to Bro. Floyd Rhyne for his unselfish leadership and ministry among us.

Respectfully submitted,
Raymond H. White, Chairman
